The Shape of a Dream

Conformist

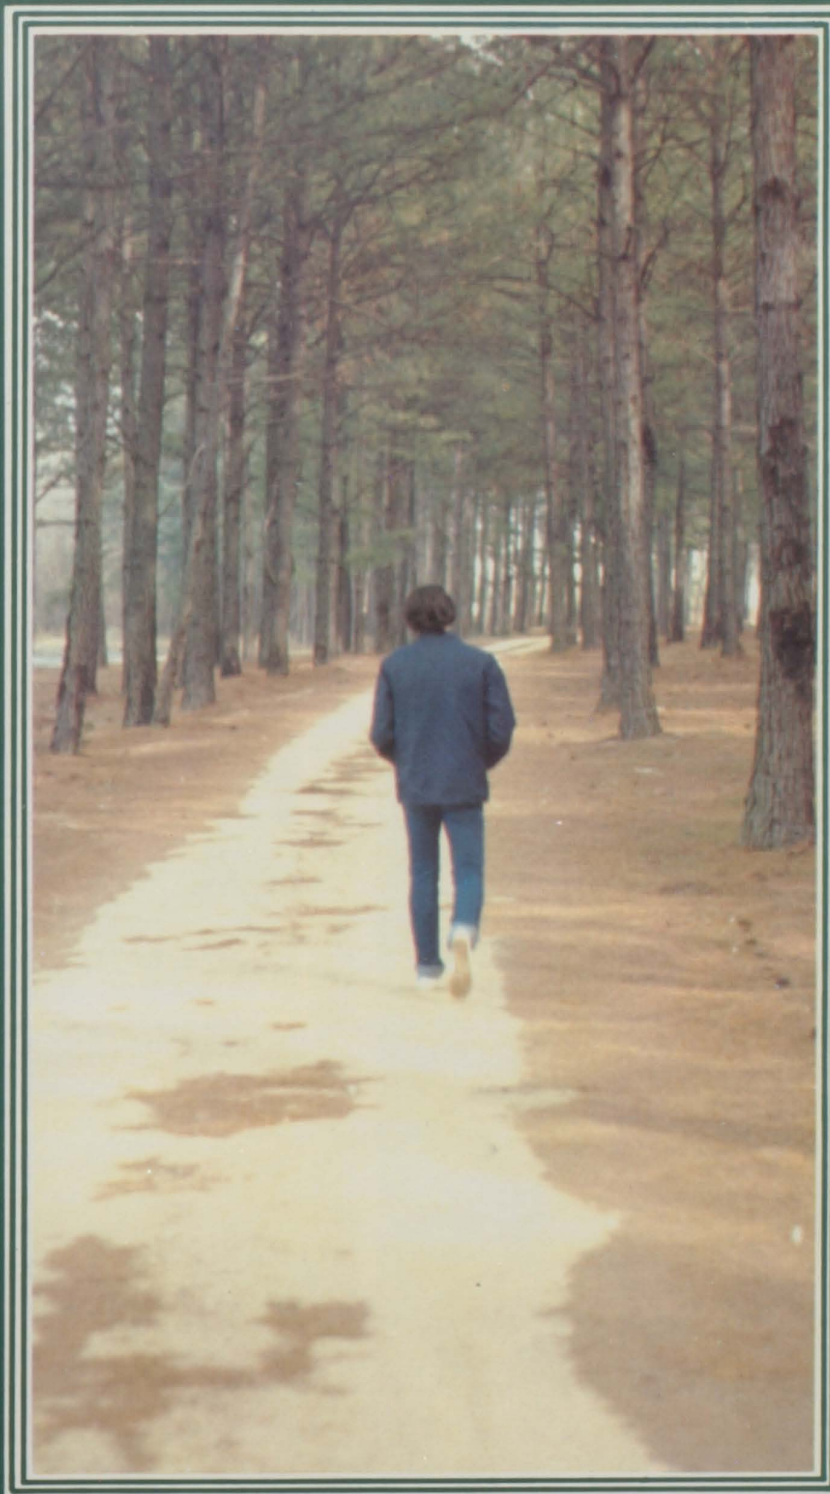

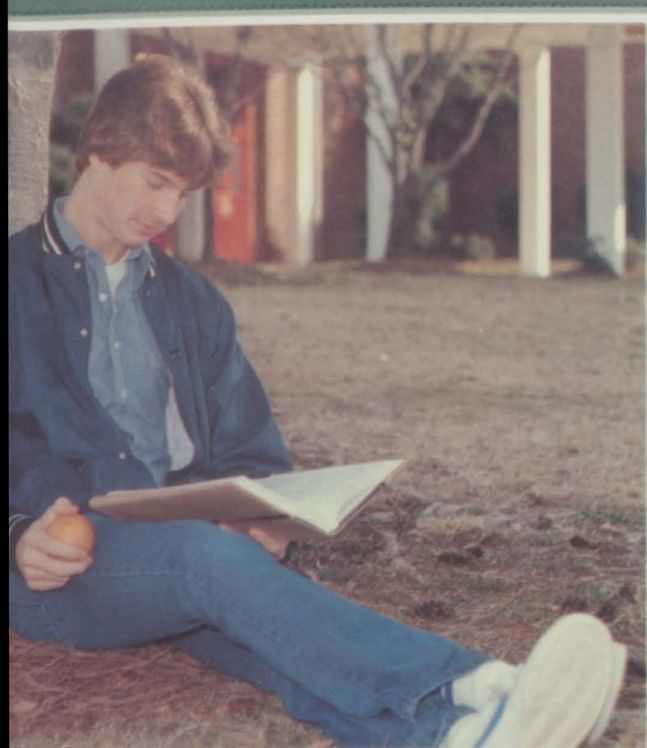

The conformist enjoys life most as a member of a group. The group hardly matters — membership does. If the keg party is his crowd's thing, then that's where you'll find him; if drugs turn his crowd on; then he's into them, too; if the Izod is the fashion craze, he won't be caught wearing a Fox. To be thrown out of his group means there is no longer a base on which to shape his dream.

Loner

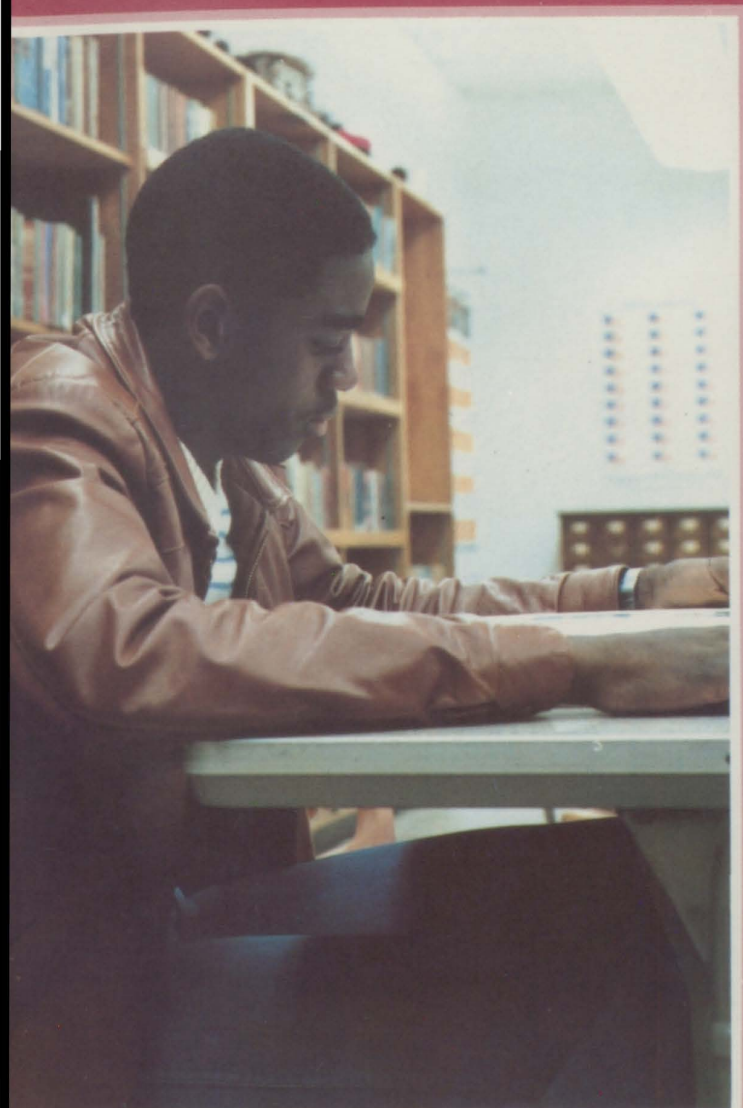

The loner doesn't care where the crowd is going after the game. He doesn't even care that the school is having a game. In short, he hears not the beat of a different drum, but the beat of his own. His dreams are private ones, shared with only a chosen few, but they are *his* dreams and are shaped in their own unique way.

Perfectionist

The perfectionist sets his standards high and works toward the single purpose of achieving them. He lets his friends party; that's not for him. He isn't distracted by fads. He's the determined, the exceller. The challenge of the road ahead holds his attention; to break the record is his ultimate goal. One record broken simply means he's ready for the next, for he constantly aims to shape a new dream.

Ambitious

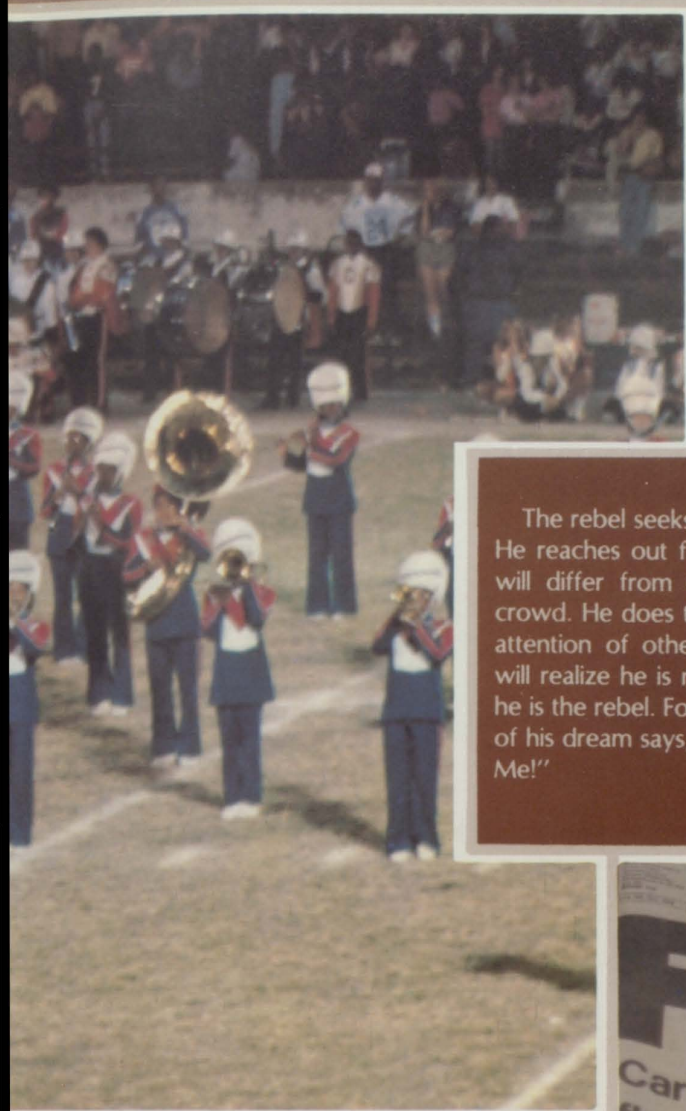

Striving to attain the dream of success, the ambitious refuses to recognize barriers; his dream is clear and precise, guiding him in one direction. The way he walks, his tone of voice give an impression of his role. He seems stable and sure of his direction. His dream is shaped so perfectly, so carefully, that it barely touches the lives of others. He too is reaching out for the mold that shapes his dream. He realizes that this one dream alone only builds a foundation for the future and that his dream of success occurs through the combining of several dreams.

The rebel seeks to be different. He reaches out for anything that will differ from the rest of the crowd. He does things to get the attention of others so that they will realize he is not like them — he is the rebel. For him, the shape of his dream says, "I'm free to be Me!"

Dedication

For an individual to shape his own dream requires the analysis of his personal beliefs, interests, and enjoyments. This could be an alarming task for some. They need an example of which to shape their dream, someone willing to help them search for their dream. Many students and faculty have found such a pattern in Mrs. Ella Carter. In great appreciation for her hard work, advice, and love, *The Spirit of '81* is dedicated to Mrs. Ella Styles Carter.

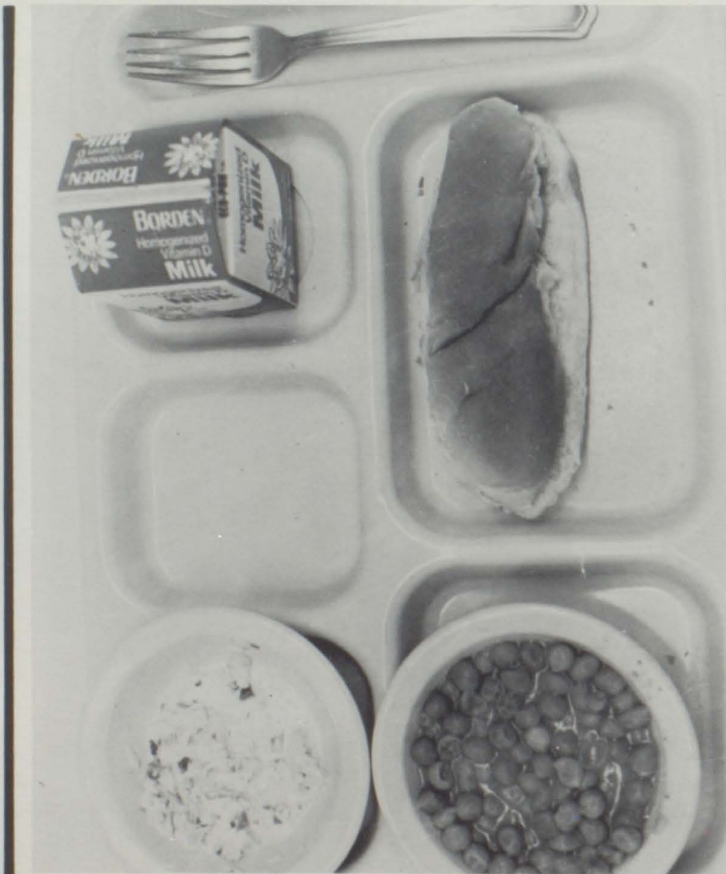

The students of Southwest made this year what it was. Some of them contributed a great deal; other, little. Each of them, though, had something in common — a dream. The shapes of the dreams were different, the personalities were different, but when brought together, they made the formation of a perfect dream.

The complex Council could be compared to the heart and the brain of the human body. They give their time, energy, and "brains" to provide the student body with fun-filled activities. They give their hearts and time to us as a student body. A majority of the activities covered throughout the rest of this section of the "SPIRIT OF '81" were sponsored by the Complex Council: Blood Drive, Goofy Goblin, Homecoming Week, Orange Crush Week, and numerous others.

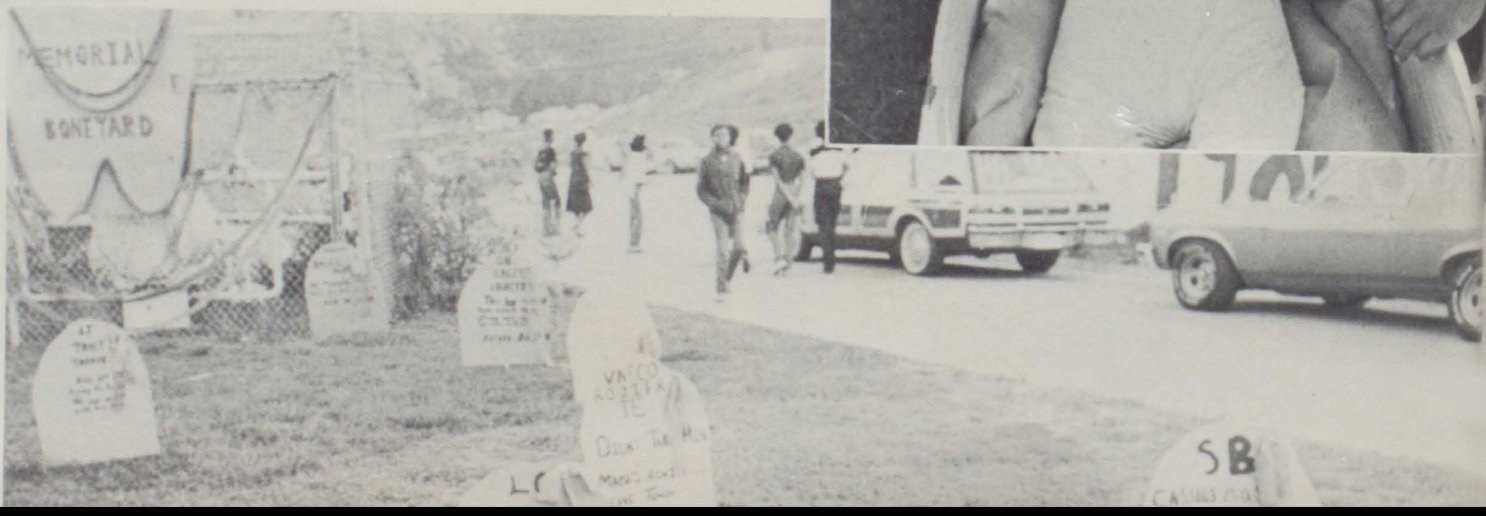

Back Row: Neel Killen, Ralph Cleveland, Corey Fullington, Joe Cagle, Sherry Murphy. Middle Row: Yolanda Pitts, Annette Parker, Constance Sparks, Alex Lucas. Kneeling: Tina Self, Mashander Butler, Rosa Berrier, Linda Coger, Wade Bennett.

Orange Crush

The activities during Orange Crush Week sent a surge of Patriot spirit through the veins of Southwest students. Dressed in black, Southwest students attended the funeral for the Central Chargers. Although we lost the Southwest-Central game for the first time in three years, a general Patriot support was shown.

Homecoming

The activities during the week previous to the Homecoming game brought out the spirit in everyone. Students participated in such activities as Disco-Designer Day, Western Day, Spirit Day, and Classification Day. The week ended on a perfect note with the Homecoming Dance following the game.

Holiday

Goofy Goblin

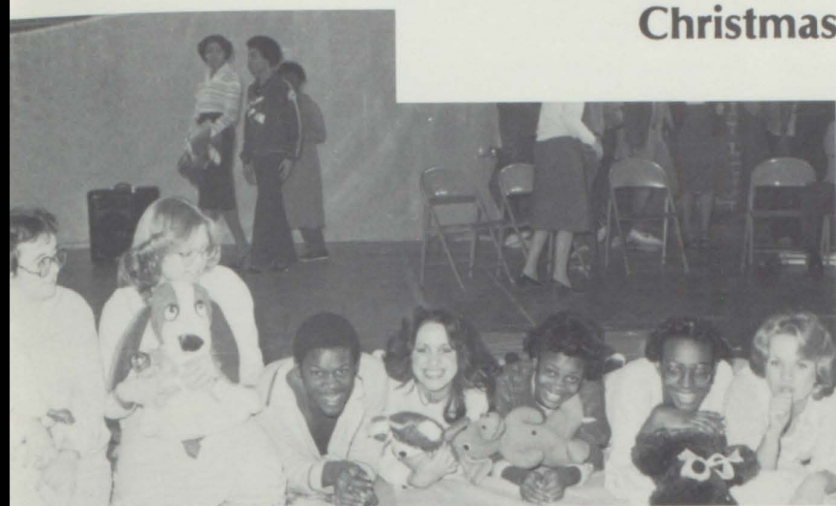

During the week prior to Goofy Goblin Day, selected students collected money to benefit residents of Nursing Homes. The student who collected the most money was Jim Fullington and his assistant — Brenda Bass. Jim also won the best costume award, along with Shane Haygood.

Assemblies

Christmas

The Senior Southwest's version of "The Twelve Days of Christmas." Never before had any student imagined Ms. Hadarits as a "partridge in a pear tree," or Count Tucker and Mr. McBrayer as "Lords a-Leaping." Well, it happened — along with many other occurrences such as the fall of the very sophisticated Trudy Norris dressed as a graceful ballerina. All students enjoyed the Christmas Assembly where Complex Council reminded everyone of the generosity of the season by presenting a skit of "The Grench Who Stole Christmas;" then the Council presented gifts provided by every supervision to the nursing home residents.

Spirit Stick

Sophomores Really Turned Things Around

The Spirit Stick this year was really sensational! The Sophomores won for the first time in years. Two assemblies were held to determine the most spirited class in the school. The Juniors lost the first competition and the Seniors the second. Judging was based on the classes' observance of the raising and lowering of the stick, displaying of posters, and the number of students wearing class colors. The class of '83 is really superb and proved so by showing their spirit the best way they know how — by winning the Spirit Stick Assembly of 1981.

Sophomores Win Spirit Stick

By Wayne Jinks
 The first time in Southwest's history of two days with an elimination round being held the first day. The first round of competition was held on Thursday between the Sophomores and the Juniors. With the Sophomores winning at the Spirit Stick. This round eliminated the Juniors.

Talent Show Assemblies

The talent show this year was held during the week of the Sophomores' CRT testing. The show was put on twice, once for the Juniors and again for the Seniors. Talent being exemplified ranged from dancing and singing to gymnastic and musical performances. The favorites were Calvin Hill, singing "One In A Million - You," Melissa Averett, singing and playing "I Honestly Love You," and Charlotte McMullins and Larry Cotton's duet of "The Closer I Get To You." All three performances received standing ovations. Melissa and Calvin were later asked to participate in the City's Talent Showcase.

Free Fare and

Freefare took Southwest by storm. The five-man band included a cocky black bassist, a bubbly brunette lead guitarist, a strawberry-blond keyboard player, a powerhouse of a drummer, and a lead singer with a voice that could stroke your ears with gentle fingers or assault them with gusty, gravelly notes.

The band began their concert by pounding out the popular pop tunes "Another One Bites the Dust" followed by futuristic funk "Pop Music." After a few other tunes, Freefare wrapped up their set with the rock-n-roll classic "Freebird."

After the music, Freefare put on their rendition of *Star Wars: The Empire Strikes Back*. Darth Vader, Princess Leia, R2D2, and C3PO were picked from the audience.

Another great assembly that appeared at Southwest this year was the Brewton-Parker College Baron Singers and Stage Band. They literally blew everyone away with top songs performed by the Baron Singers as Ladies Night, Morning Train, and Celebration. While the stage band astonished the audience by jamming to hits such as I Will Survive, Heaven Knows and Play That Funky Music.

The second annual senior play entitled "The Butler Did It" was held at Macon Jr. College Auditorium. The comedy-mystery, directed by John Jones, ran for two consecutive nights. By the way, the butler didn't do it; there was no butler.

Blood Drive and Red Cross

This year's Blood Drive was a very successful event, with 120 students and the teachers giving unselfishly of their own life source. Nurses and other medical staff were on hand for the event. After giving their donation, the students were served refreshments.

Every year the MB FHA sponsors the Red Cross fund-raising drive. This year Mrs. Walker's senior supervision came in first place by collecting \$59.10, while Mrs. Norman's supervision came in second place with \$59.04. The winning supervision was given a plaque. Money collected is sent to the Red Cross, but the school requested funds to be used for the beautification of our campus and safety for our school's students.

Mrs. Walker's Supervision: Connie Bailey, Bellamy Bivins, Dexter Bradley, Beverly Clark, Christie Coggins, Cheryl Cupp, Sherry Finch, Robert Grantham, Joey Greene, Rollee Hamm, Mark Howell, Melanie Jackson, Verna Johnson, John Jones, Cynthia Kuchup, Linda Kind, Andre Lane, Viette Mixon, Jerome Searcy, Maresha Staples, Todd Thompson, Angela Sallette

Spring Fling

During the week of April 27th through May 1st, student council sponsored the annual Spring Fling Week. Kiddie outfits, designer clothes, and punk rock costumes were displayed on different days during the week and a street dance was held. Seniors attended a slave auction where they could bid for teachers to be their slave on Friday.

Spring Fling concluded with a double-lunch period field day during which clubs sponsored such entertainment as balloon games, sponge games, a dunking machine and a may pole dance during which students encircled the pole. What better way to welcome spring.

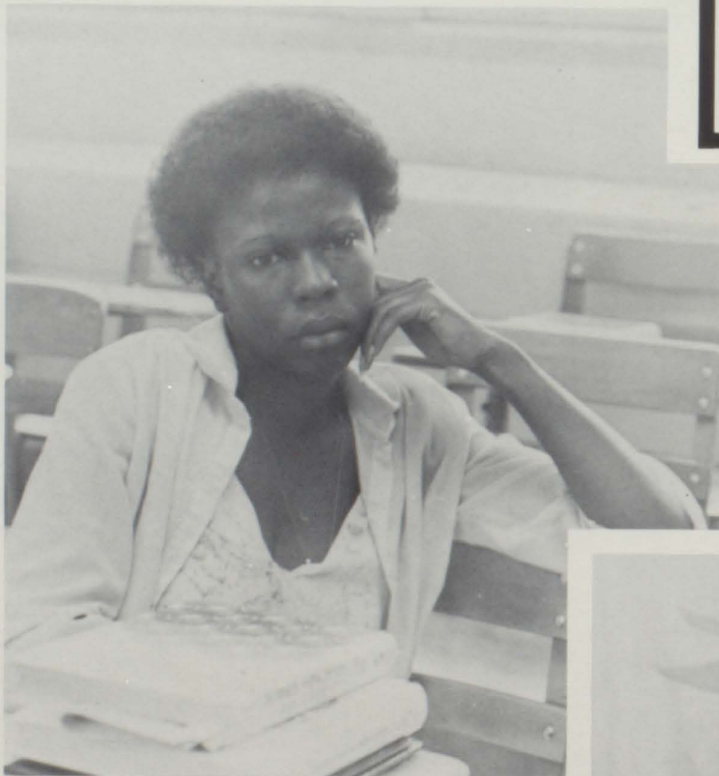

100% Annual Sales

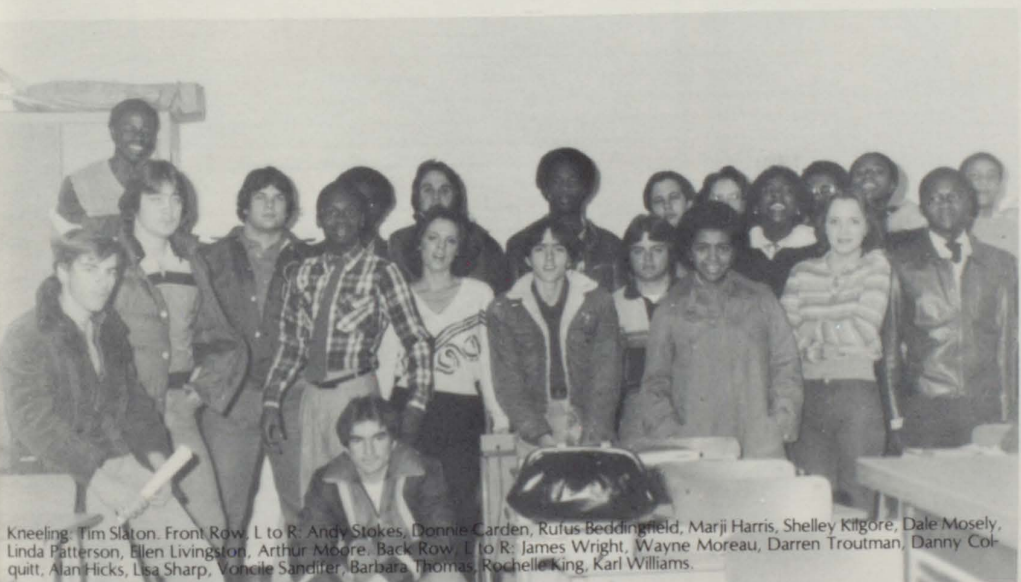

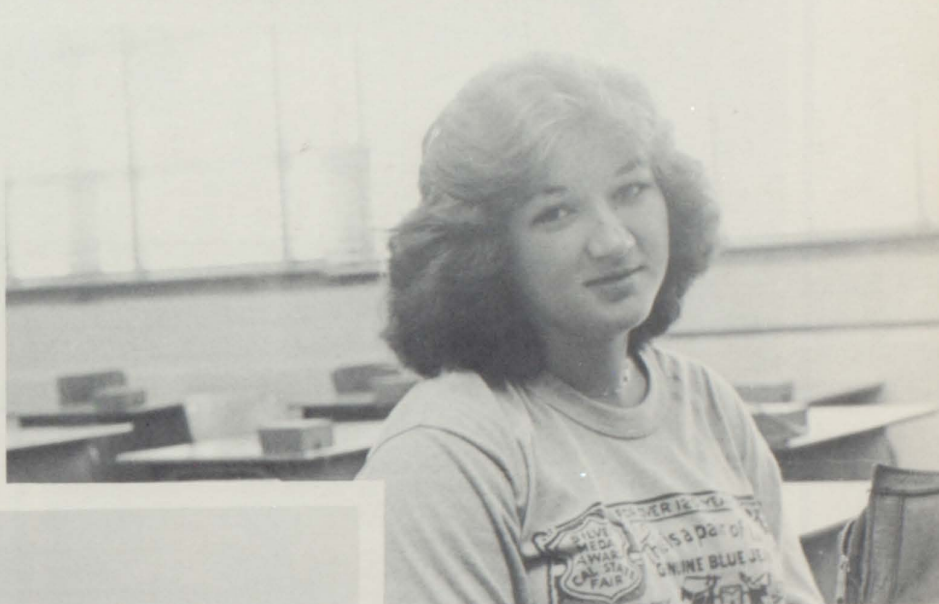

It has become a tradition. What? Mrs. Bell's supervision being 100% in annual sales. Her supervision also placed first in P.T.S.A. (formerly known as P.F.S.O.) Drive. Supervision 210, known as an outstanding and spirited group of students, not only supports Southwest by buying annuals, but its members are also involved in other activities and organizations, such as Complex Council, FBLA Club, and the Wrestling Team.

Another supervision challenged Mrs. Bell's this year in annual sales and P.T.S.A. Membership. Supervision 223, Mrs. Foster's, also achieved 100% annual sales, and it placed second in the P.T.S.A. Drive. In addition, its members are involved with the football team and the Pep Club.

The Patri-Article Staff strives to produce a high-quality paper on a monthly basis. Students are required to take two quarters of journalism under Mrs. Eleanor Taylor, the newspaper advisor, before joining the staff. Since 1975 the Patri-Article has been graded each spring by the Georgia Scholastic Press Association and has received awards of excellence every year.

Montage

The Staff of Southwest's literary magazine, *Montage*, attends the Georgia Scholastic Press Association Convention each spring and has been recognized as one of the outstanding magazines in the state. Ms. Melanie Booth has advised the *Montage* through three award-winning years and is hoping to score well again this year. Maresha Staples was selected as Editor-in-Chief, and Colleen McMillar and Jackie Raleigh as Art and Layout Co-editors. The staff strives to produce a magazine that exemplifies the originality of students on the Southwest campus.

ROTC

During the past year, the ROTC program at Southwest has grown tremendously. This year, it has a membership of 50 compared to last year's enrollment of 20. Each Monday and Wednesday, the members wear their uniforms and are transported to Central during the first period for inspection and marching on the drillfield. Among the skills they are taught are first aid and map-reading. This year Thomas Dougherty is the Company Commander in charge of all drills. Bobby Henderson, Rodney McWhite, and Todd Pew are the Platoon Leaders.

Southwest Marching Band

The Southwest Band was rewarded for the long hours of practice put in during the summer and after school when they received all superior ratings at the Spring Festival. Along with the hours of practice time, the 150 members must make time to participate in fund-raising projects, which this year included selling car wash tickets and cookbooks. The money they raise helps to cover the expense of their annual spring trip to Daytona Beach and their performance at Disney World.

Majorettes

Stage Band

The Stage Band is a group of outstanding members of the Marching Band. They must audition and are then selected by Mr. Jackson. The group has played at many special occasions such as the Miss Afro Macon Contest at the Macon Auditorium and the Homes and Garden Show at Westgate. They are a marvelous group, and to hear them play makes one truly proud to be a Southwest Patriot.

Chorus

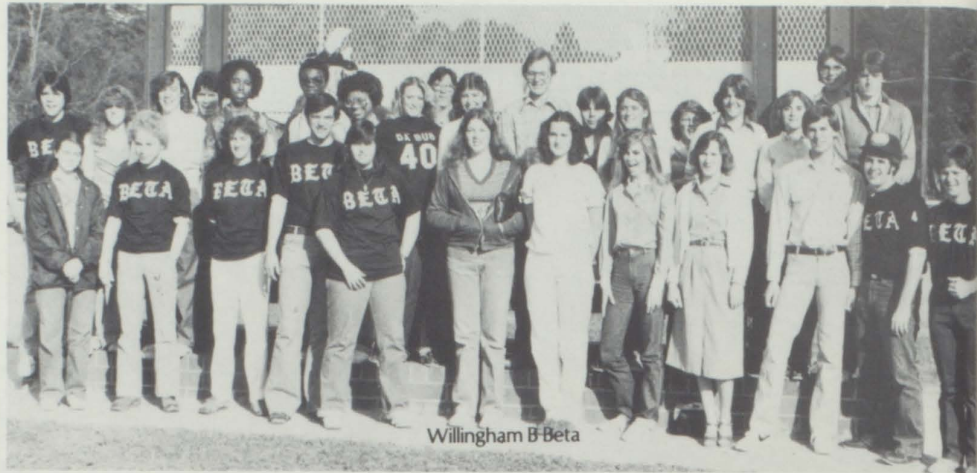

The music department at Southwest has become well-recognized this year through several contests. The Chorus, participating in the Georgia Education Association Competition, received all superior ratings. No other school matched these excellent marks. Between competitions, they are involved in gospel concerts, which have included Gospel Erupts, The Fall Concert, The Christmas Concert, and the Annual Spring Concert.

Beta

The Willingham B Beta has been especially active this year. Their largest project has been the collecting of Community Club Awards points to make money for Spina Bifida. During October they held a Halloween party for the children at the Georgia Industrial Home, and in February they sent nine delegates to the State Beta Convention in Savannah, Georgia.

The members of McEvoy A Beta strove to use their knowledge to help others by providing a tutoring service. Fund-raisers such as doughnut sales and car-washes were held to aid in the expense of community projects for young children at Easter and for charity.

Beta has gone Co-ed, and this year the Co-ed McEvoy B Beta Club has proven to be a great success. The group participated in the sign painting contest for the football games and won three prizes, they served as guides during Parent-Teacher Conference Day, and they sent eleven selected members to the State Beta Convention. Their largest project for the year was collecting for the Leukemia Drive. After a week of collecting, they donated a check for \$300.

Members of Willingham A Beta contributed to the happiness and good of others this year as they participated in the program for American Education Week by providing refreshments for teachers. Among other projects were the selling of stationery in order to attend the Beta Convention and entering the sign contest during football season, for which they took first place several times.

Civinettes

The Civinettes have changed their name. They are now known as the Civitan. Each year 150 to 200 girls try for a chance to become a member by filling out a request form and hoping to be one of the 50 chosen for membership. Among the many projects that the group participated in this year were the putting out of cans for Project Clean Up, the collecting of toys, clothes, and money for needy families at Christmas, and a Halloween party at the Academy of the Blind. However, their most important project of the year was assisting in the Special Olympics in March.

Civitan

Civitan is a club for guys at Southwest. Like Civinettes, they play a big part in helping out at the Special Olympics each year. Headed by Mr. Whitaker, carloads of Civitans attend the annual occasion to help the youngsters in each of their special events. The club also raises money through the selling of Little Debbie Treats so that they can go on their annual spring trip to the Civitan Convention in Jekyll Island.

Pep Club

The Pep Club holds the key to spirit at Southwest. Aided by signs, bon-fires, and pep rallies, they promote enthusiasm among the students. Two items which really helped to promote spirit were the spirit sticks and spirit hands which club members sold during football season. The club also provided a chartered bus to the football game in Montgomery, Alabama, and they donated refreshments for the Clean-up day at South-4.

Some of the projects accomplished by the club are the building of the trophy cabinet in Willingham A, the bookcase for Bloomfield's Boys' Club, benches for the P.E. Department of Willingham A, stools for the First St. Methodist Church, and a planter for Willingham B's lounge.

The Future Homemakers of America is made up of the McEvoy B Chapter and the McEvoy A Chapters 1 and 2. Some activities which these members have taken part in this year were the collecting of American Red Cross memberships during FHA week, planting flowers in front of McEvoy B, adopting a grandparent from the Medical Arts Nursing Home, and participating in money-making projects. Through their work, the members hope to improve personal, family and community living now and in the future.

French and Spanish

The French Club was designed for students having an interest in the French language and customs. The group learns not only about the French language, but also about their interests and ways of life. This year the members have beautified the campus by planting tulips.

The Spanish Club is open to any students interested in learning about the Spanish culture and its development. The members not only discuss the Spanish-speaking nations but also aim to perform some worthwhile service for the community. Winter quarter the club went to Atlanta to see The Flamence Dancers. They have also taken part in the poster contest at Southwest football games.

DECA

The Willingham and McEvoy DECA clubs were in charge of several community projects this year. They held a Halloween Carnival for area nursing homes, adopted a needy family at Christmas, and distributed fruit baskets to residents at the Hospitality Nursing Home. They were in charge of a booth at the Macon Mall during National Education Week, where they handed out brochures on the DECA program. The Southwest chapter had a group of girls place third in the District Competition. They were Patricia Ferrebee, Ramona Lloyd, and Denise Bryant. Jill Baggarly placed first in the General Merchandising Division and continued in competition at state level.

Christians in Action and Drama

Christians in Action is a club developed for anyone who is interested in religion or Christianity. The members showed their care for the community when they sent 220 Christmas cards to residents of the Medical Arts Nursing Home. They also filled stockings for fifteen of the patients.

The Drama Club has been organized for the past four years and has chosen as their slogan, "A Drama Club That Plays Together, Stays Together." The purpose of this club is to encourage, cultivate, and refine students' dramatic abilities.

Mu Alpha Theta and Frater Sodalis

The Southwest Chapter of Mu Alpha Theta was formed this year to promote interest in Mathematics. The club is made up of many of the members of the Math Team. They raise money to sponsor the math team as it travels to different schools to participate in contests. So far, their only money-making project has been the selling of suntan oil. In the future, the club hopes to buy a trophy case to display all the math trophies.

The Frater Sodalis is the only school-related fraternal organization at Southwest. It was established to build character, promote leadership, enhance social and cultural experiences and to provide an alternative for the students who want to be active at school and in the community without the hazing. Leadership, grades, and overall conduct are all important factors in determining whether a student will be accepted as a member of the club.

VOCA

The McEvoy A VOCA sold posters to earn the money for one of their major projects, a gift of Valentine cards, apples, and flowers to the residents of the Medical Arts Nursing Home. On March 14, 1981, ten members entered the Region IV contest, from which the brought home five trophies and several certificates and honorable mentions.

The Willingham B VOCA Club, is composed of Mr. Ethridge's CVAE students. The club's purpose is to develop leadership abilities through participation in educational, vocational, civic, recreational and social activities. This year the club has prepared bulletin boards, made planters for the lobby, helped during clean-up day, and made toys for the children of the Bibb Training Center.

Skateboard and Octagon

The Skateboard Club was formed for students who have a great interest in skateboards. Their main goal for the year was to build a skateboard ramp, so they could put on a show.

The Southwest Octagon Club was organized in March 1980. It is a service organization sponsored by the Noonday Optimist Club. The group's biggest project this year was a skate-a-thon for Leukemia, which was held in January. Over \$2700 in pledges were raised. On March 8, Liz Coté pre-

Disco Fever and Science

Enjoyment through the act of dancing is what the Disco Fever Club tries to show everyone. They participated in a Christmas parade this year, where a beautifully decorated car carried Mr. and Miss Disco Fever, Floyd Williams and Joyce Mason, and her attendants, Melinda Jones and Lisa Prince.

The Science Club, advised by Mr. Merchant and Mr. Hinson, is an organization attempting to promote interest in the field of Science. Through meetings, the members plan for their most important project, competition for the Science Fair held in April of each year.

CLASSES

Gloria Washington

Southwest welcomed Mrs. Gloria Washington as Complex Principal on Oct. 1, 1980. Mrs. Washington is the first lady to hold this position at the nation's largest high school. She took the place of Dr. W. C. Whitley, who was complex principal for nine years, until he was promoted to his position of assistant superintendent. Mrs. Washington, working with our other three principals, looks forward to a decade of progress at Southwest.

PRINCIPALS

Harold Perdue

Gerald Stuart

Coordinating detention, enforcing rules, handling suspensions, working with the homebound counselor, and meeting with other administrators are included in the responsibilities of Southwest's four assistant principals. They also spend hours in conferences with parents and teachers as well as attend many Saturday administrative seminars.

Superintendent
Paul Hagerty

Bibb County Board of Education is responsible for setting standards and policies for fourteen high schools and thirty-seven elementary schools within the system.

Dr. Paul Hagerty, the superintendent, has led the board in many important tasks such as establishing the speciality or magnet schools and the adopt-a-school program. In this program, businesses support the schools through donations, volunteering their valuable time and helping sponsor the RIF (Reading is Fundamental) program. Dr. Hagerty felt that his most valued accomplishment as superintendent was restoring confidence in the community for the public schools.

On March 12, 1981, Dr. Hagerty announced his decision to accept the position as superintendent in Springfield, Missouri. He was selected unanimously from one hundred applicants. Dr. Hagerty said he was leaving with many mixed emotions and that his four years with the Bibb County Board have been rewarding and satisfying.

Cafeteria Staff

The four cafeterias at Southwest are responsible for serving lunch to over 3,000 people each day. The lunch program allows students to choose from three different meal plans. The favorite meal among students is chicken served with corn and strawberry shortcake. A new program, offering students breakfast from 7:15-8:00 each morning, started this year and attracts over 200 people every day.

FUTURE PLANS OF SUPER SENIORS

"I plan to marry a tall, dark, and handsome young man . . . I'm going into the armed forces . . . I plan to seek a higher education through a four year institution . . ." These are some of the responses that 604 of Southwest High School's Super Seniors shared in a survey taken of their future.

Fifty-seven percent plan to continue their education at a college. The three most popular colleges are (1) University of Georgia (2) Mercer University, and (3) Macon Junior College. The most popular major among the seniors is Business. Fifteen percent decided to begin a job instead of going on to college, and two percent plan to get married right after school. Fifteen percent of the senior class plan to go into the service, and the other ten percent are undecided at the moment. Good Luck Super Seniors!

Year long courses, co-ed supervisions, lunchroom choices, and Mrs. Washington as complex principal are some of the changes of the 1980-1981 school year. How did the juniors respond to these changes and others being discussed?

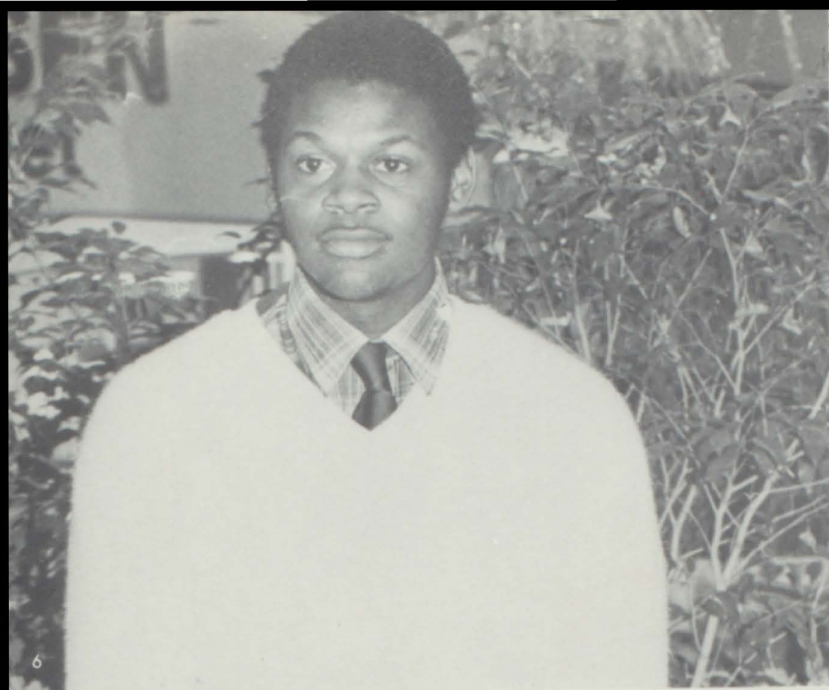

Out of the seven-hundred and sixteen jamming juniors who took a survey asking their opinions concerning these changes, six-hundred and twenty-four like the new co-ed supervisions and ninety-two dislike them. Of the six-hundred and ninety-four that are taking year-long courses, three-hundred and sixty-one like them and three-hundred and thirty-four don't. Next year a new change may be separated supervisions for juniors and seniors. Only two-hundred and seventy-one like this idea. In the past the senior pictures have been casual. Four-hundred and fifty-four prefer the casual white two-hundred and forty-nine would prefer drape.

The highlight of the year for the sophomore class, a feat that only one other tenth grade has accomplished in the twenty-four year history of the school, was winning the SPIRIT STICK. They painted as many signs as the seniors' and just as creatively. They displayed their color, white, as well as any of the three classes. This volume, almost 1000 of them yelling at high pitch, was deafening! But so was the seniors'. What won them the coveted Spirit Stick? Their silent entry, for one thing. As the sophomore spirits led them to the gym, no one heard a sound — even their feet were quiet. And second, their disciplined yelling. When the Spirit Stick lowered suddenly, their voices cut off in mid-air just as if they were seniors with two years of practice. Congratulations Sophomores — and watch out rising seniors.

Another interesting activity conducted by Mrs. Johnson's tenth grade health classes included dressing boiled eggs like infants and carrying these make-shift children around all day, everywhere. What better way to learn the responsibilities of parenthood? And they didn't even have to change diapers.

SOUTHWEST**

Several noteworthy activities filled the lives of Southwest students during the 1980-1981 year. Some were scheduled; others weren't. On May 22 about seventy-five students attended the Sophomore prom held in the McEvoy A lunchroom, decorated with streamers and a backdrop stating the theme "Being With You." Andre Jones, A. J. the D. J., lightened the event with witty comments.

The WA Beta Club sponsored a most successful student-faculty basketball game in the spring. In front of a packed audience, the students came from behind to win by an outstanding margin.

In the latter part of May, seniors were fitted for caps and gowns. All graduating seniors went to the Willingham B lunchroom and library and the McEvoy B library only to stand against a pole to be measured for length of gowns and to have a strap wrapped around their heads, chest, and waist to check for thickness.

On Friday, May 29, the students of Southwest were surprised by a strange sight — a well-known tree at the back of the soccer field had been chopped down in the middle of the night. Rumor has it that a group known as the Jocks had dealt a stinging blow to another group of students, the Heads, by chopping down their favorite gathering place — but who believes rumors?

Jay Strack was a newcomer to Macon and Southwest. His brilliant talent for public speaking amazed the students. He talked about life as a lonely child wanting friends. The only way to get friends was to do the things they did. Drugs became part of his life, and trouble took over. Now he's found a new beginning. By telling students what happened to him in most of his life, he hopes to help others find their mistakes, correct them, and discover what they are to themselves.

Another interesting spring assembly featured dancers from Macon Junior College. Literally flying across the gym at times, these four presented small dramatic features of ballet, several of which were intentionally humorous. And the audience did laugh.

Clean-up Day, a first for the senior high complex as a whole, took place on a Saturday in October. Students did such jobs as paint the school sign, mow lawns, and just pick up trash. Thanks to the help of students and teachers, our school campus is "Looking Good."

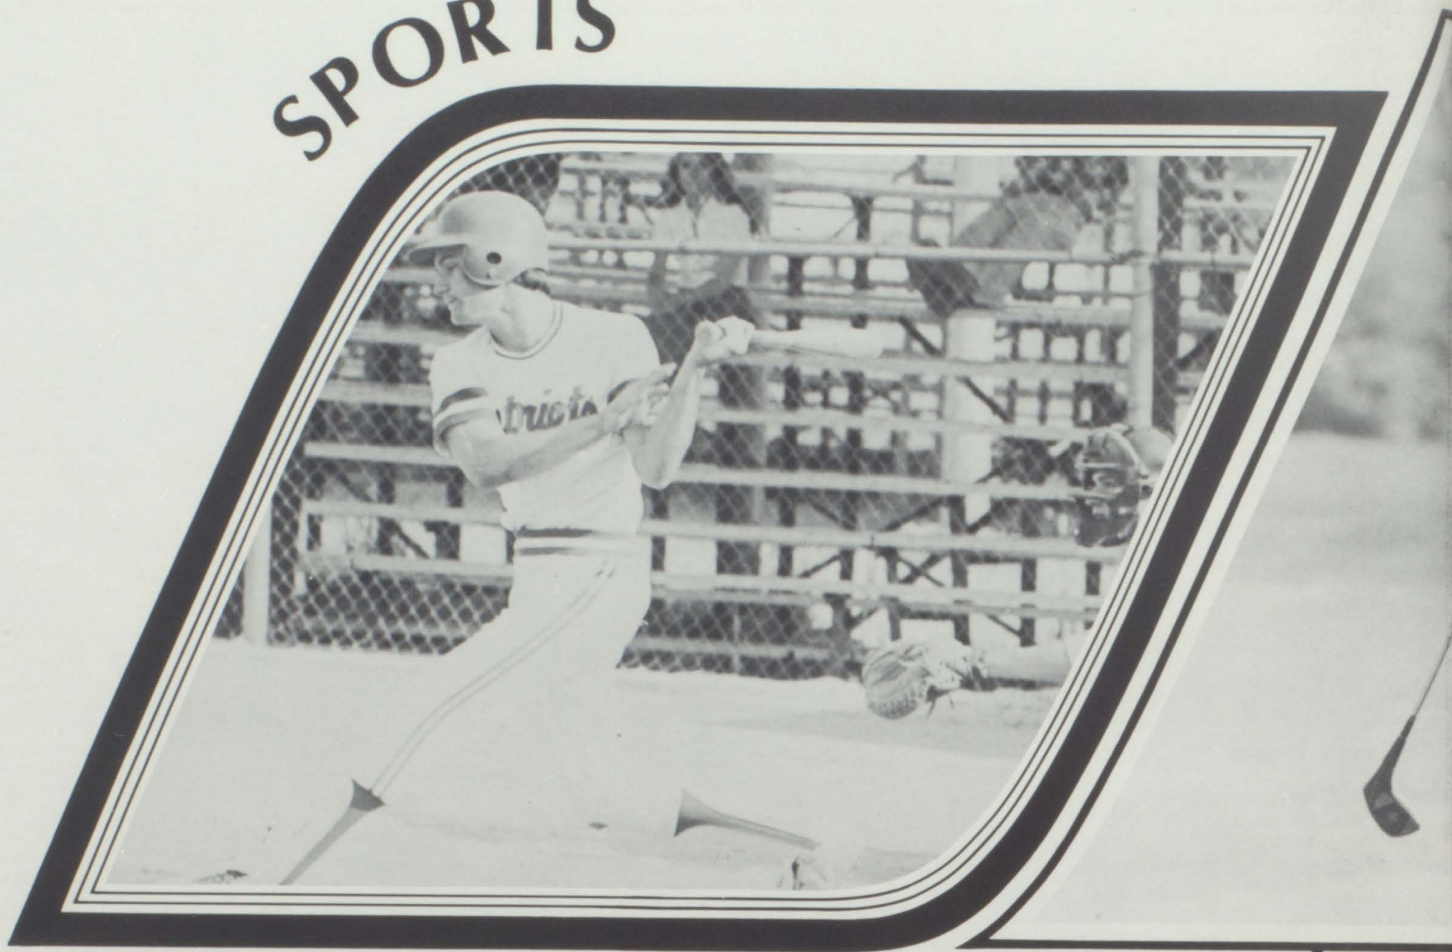

One of the most admired speakers to come to Southwest was Ranger Horton. Telling students of the world's most shocking events, Ranger Horton gave more details than we could imagine ever took place. Facts about the crisis in Iran especially stunned everyone. How did the United States stay away from war in the attempted hostage rescue? According to Ranger Horton, our government leaders have misconstrued the facts about this situation and numerous others.

VARSITY CHEERLEADERS

Standing, Top-Bottom: Debbie Berkner, Angie Worsham, Marshander Butler, Debbie Jones, Angela Rodriguez. Sitting, L to R: Melanie Mims, Capt. Sue Rowland, Pat Richardson, Merlene Eleam, Co-Capt. Yolanda Pitts.

Southwest's High School Varsity Cheerleaders, nine outstanding young ladies, have worked extremely hard this year. They cheered our Varsity Football team to a 3-6-1 season, Varsity Girls' Basketball to a 18-6 season, and Boys' Varsity Basketball to a 18-4 season. They were under the direction of Ms. Bonnie Hunter.

The cheerleaders improved on their skills at the National Cheerleaders' Association at the University of Georgia this summer where they represented Southwest well by receiving one ribbon of excellence and three of superior rating.

Many believe that being a cheerleader is fun and games, but it takes long hours of practice and strong desire to be the best. During this summer, in sweltering temperatures, our cheerleaders practiced three hours a day, three days a week and after school painted enormous signs for football and basketball.

Being a cheerleader takes determination and persistence. In the late night hours after games out of town, they shared victory and defeat but continued to give their full support.

Southwest's 1980-81 Cheerleaders are "RED HOT."

Managers — Monty Monk, David Smith, Janie Harrell, Danny Smith.

Southwest's Varsity Football met their downfall this season with a 3-6-1 record. They were coached by Northeast's former coach Edgar Hatcher. The main factors contributing to their defeat were size and adapting to the new ideas of a new coach.

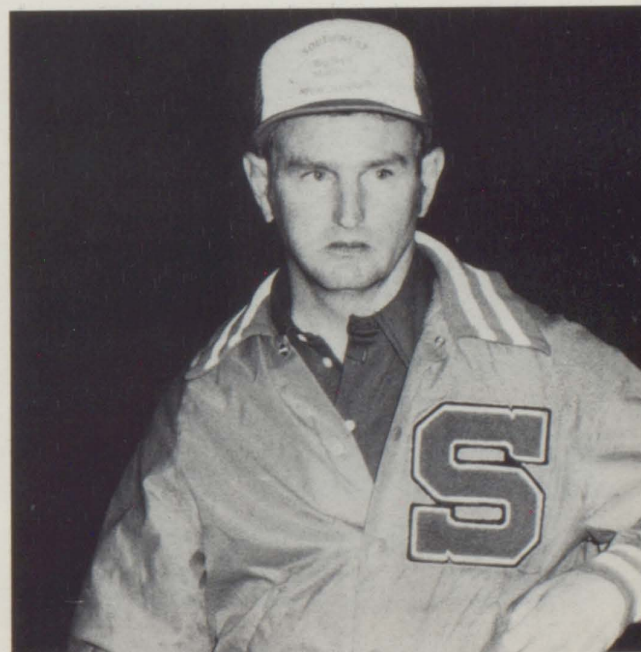

Coach Hatcher stated, "We're not very big, but we hope to make up for it in strength and will rely on hitting and quickness."

Another factor which led to the downfall of Southwest's Football team was that they were confronted with one of the toughest schedules ever, facing Americus, Northside, Therrel, Warner Robbins, and Northeast.

The Patriots were led by Junior Quarterback Terry Brown and Senior Defensive Linebacker Harold Hallman. Southwest had three players to make the All City Team: Shane Haygood, Harold Hallman, and Wayne Moreau. Hallman was voted City's Most Valuable Player.

This year the turnout for Football was better than in recent years, a factor which will be extremely helpful because it leads to confidence and experience for the future.

The Patriots Will Be Back!

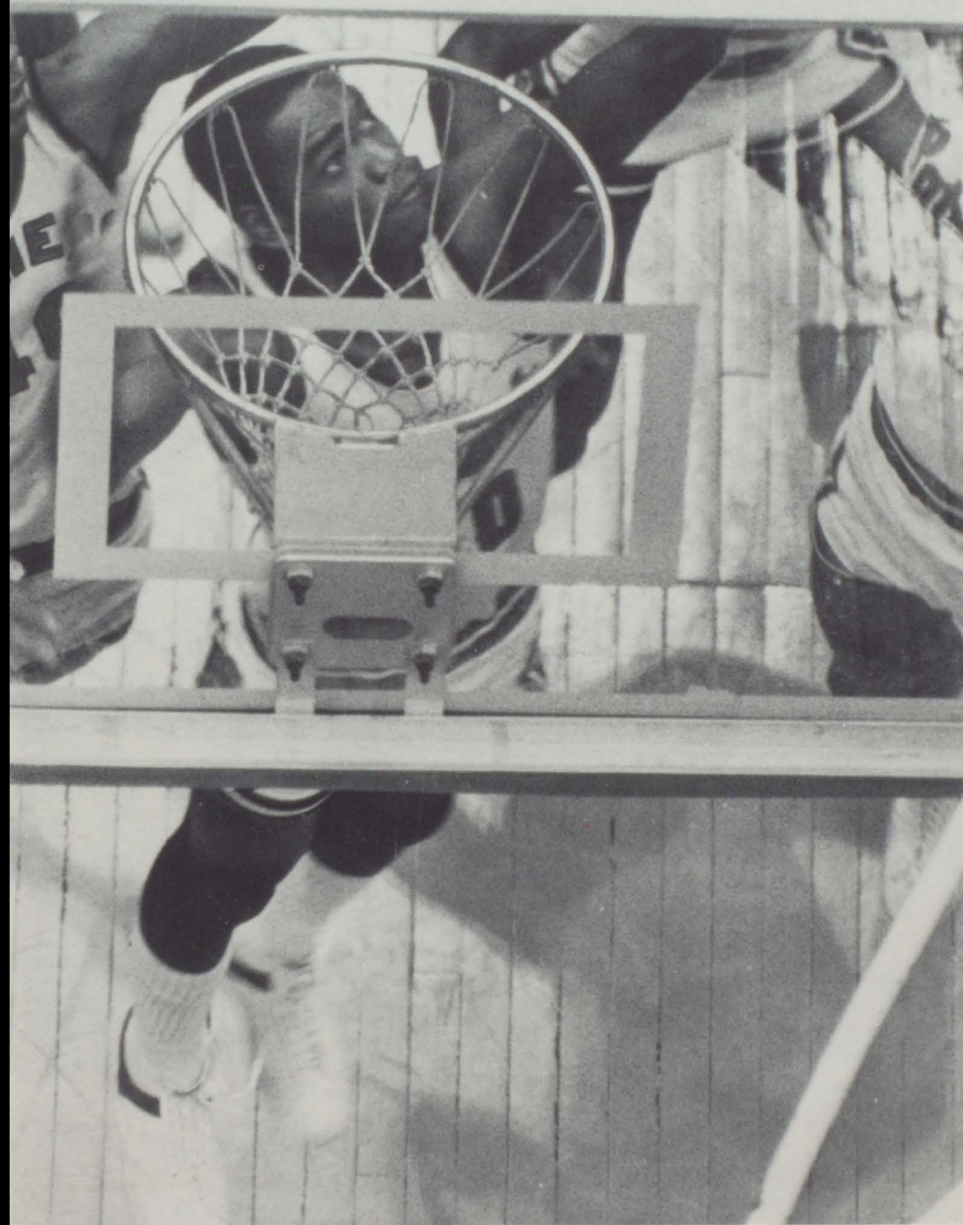

BOYS' VARSITY BASKETBALL

Kneeling: Albert (Bobo) Thomas, Jeff Jones, Eric Woodward, James Parks, Carl Hardnett, Walter Bell. Standing: Danny Robinson, Tracy Taylor, Gary Thomas, Stanley Hardnett, Kery Evans, Reginald Reeves, Carl Howard.

Starters — Kneeling: James Parks, Jeff Jones, Carl Hardnett. Standing: Albert (Bobo) Thomas, Eric Woodward, Walter Bell.

The Basketball program at Southwest has always been excellent and this year was no exception. Southwest, under the leadership of Coach Don Richardson, finished the season with a 18-4 record and was ranked number five in the state. The Southwest Boys' Varsity Basketball team was tied with Baldwin for first place in the sub-region, but due to two Baldwin victories over Southwest, they placed third.

In recent years, Southwest has received a National Championship, four State Championships, six Region Championships, and first place in the East Atlanta Tour of Champions in 1973.

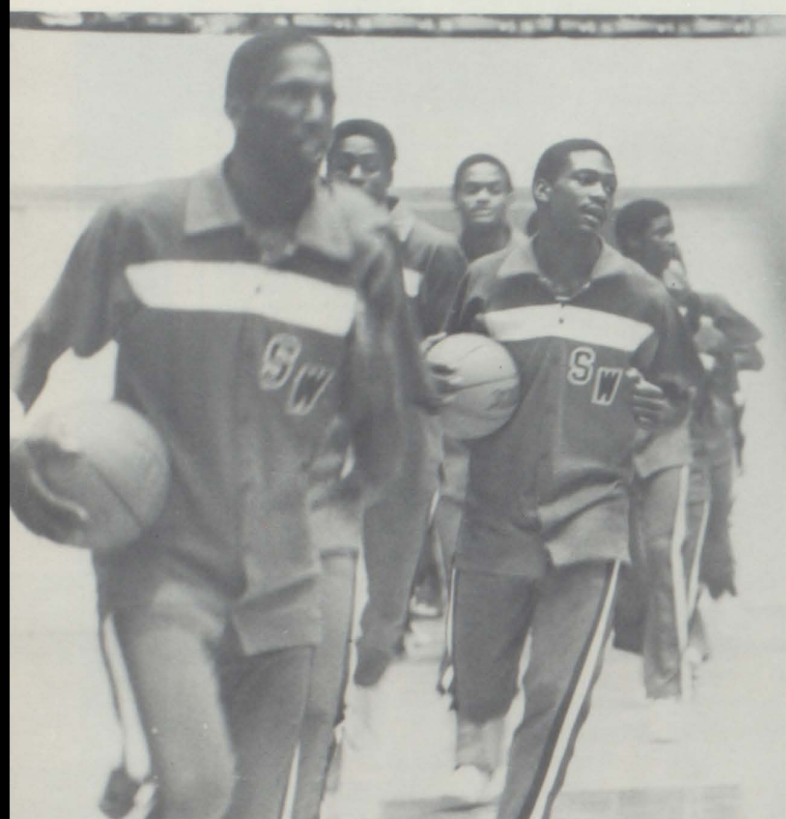

They were led this year by Senior guard Jeff Jones and Junior center Albert (Bobo) Thomas. Jeff Jones was rated sixth out of the top twenty and Albert Thomas was rated fifteenth. The Patriots were met with tough arrangements of players. They had to switch Jones from the shooting guard position to point guard.

Richardson stated, "A point guard is the key to any basketball team. You can have good shooters on your team, but you won't win any games if you don't have a good point guard to get the ball to them."

Each year, Southwest participates in the Tom Porter Classic Christmas Tournament at the Macon Coliseum where they placed third and received the Sportsmanship Award this year. They were defeated by Alabama's number one team, Central Alabama. In the Porter Classic, they received second place in 1972 and 1975, first place in 1976, 1977, and 1978, second place in 1979, and third place in 1980.

Next year will be a rebuilding year due to the loss of eight outstanding Seniors, but through hard work, determination, and leadership, the Basketball program will continue to be one of the best.

GIRLS' VARSITY BASKETBALL

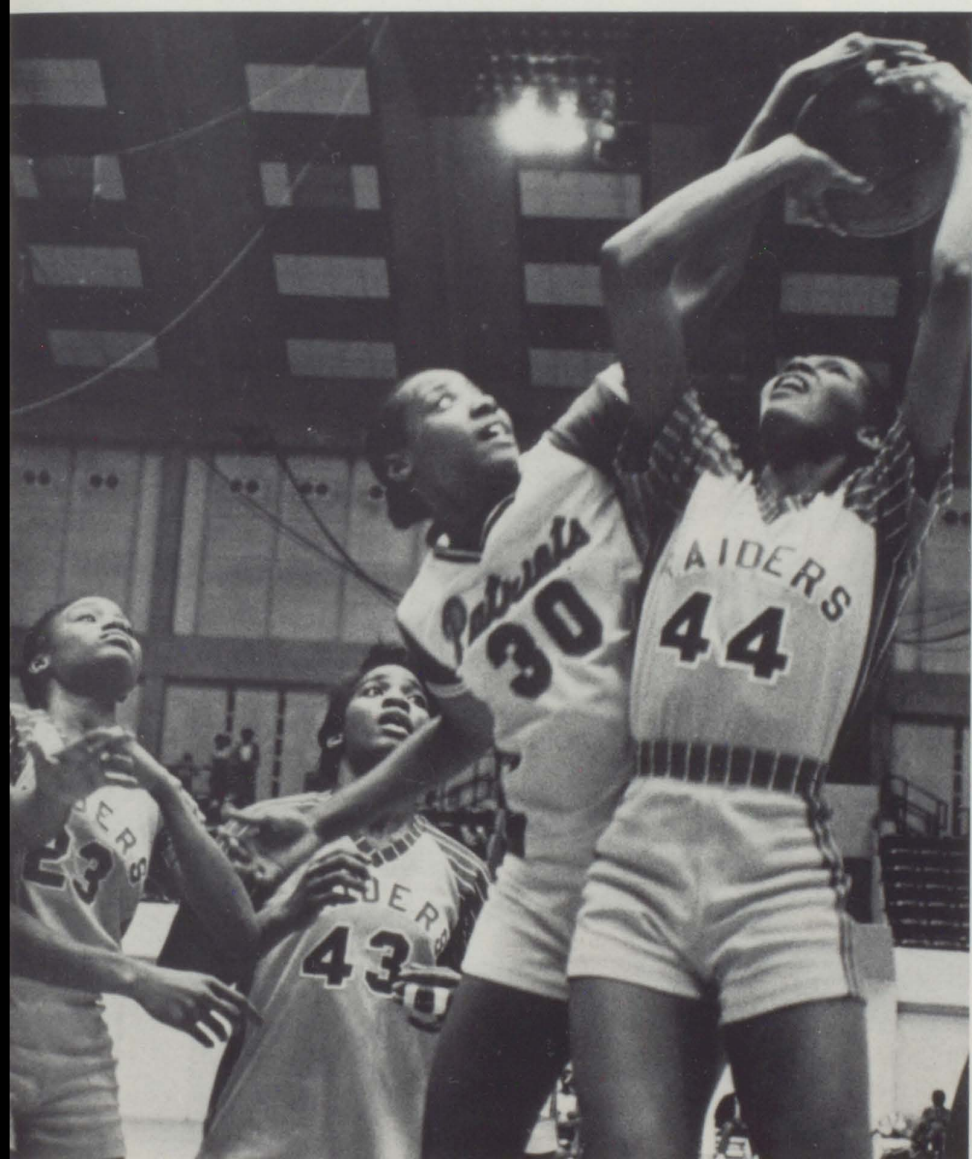

Standing, L to R: Albert Sharpe, Bonita Johnson, Rochelle King, Shawanzia Davis, Latrice Wallace, Alberta Willis, Val Tard. Kneeling, L to R: Evette Sandifer, Stephanie Tumblin, Dot Davis, Carol Riley, Vonda Middleton, Jackie Harvey.

Our Lady Patriots, one of the hardest working, toughest, and most determined teams that Southwest has, completed the season with a 18-6 record. Led by Coach Albert Sharpe, the Lady Patriots ranked fourth in the state at the end of the season. The starting line-up consisted of Vonda Middleton, Evette Sandifer, Tina Smith, Valerie Tard, and Alberta Willis. Three of these five ranked among the top twenty female players in Georgia. They are: Valerie Tard - 4th, Alberta Willis - 14th, and Tina Smith - 15th. All three are seniors.

Coach Sharpe will be rebuilding the Lady Patriots next year after the loss of six seniors.

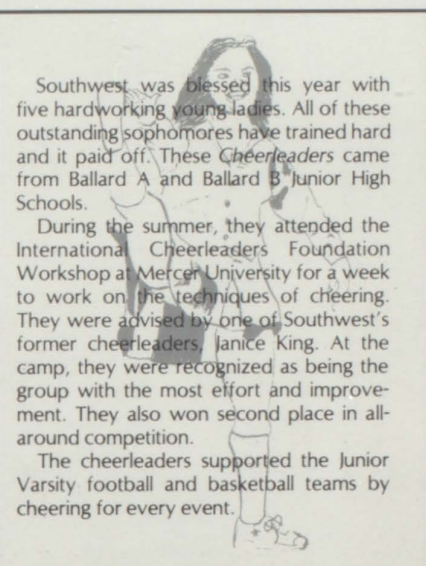

JR. VARSITY CHEERLEADERS

Phyllis Dumas, Georgia Phelps, Gwen Fitzpatrick, Tina Wiggins, Patty Bradley

Southwest was blessed this year with five hardworking young ladies. All of these outstanding sophomores have trained hard and it paid off. These *Cheerleaders* came from Ballard A and Ballard B Junior High Schools.

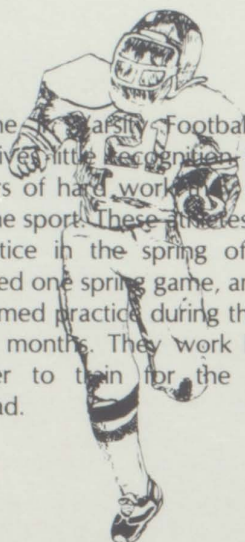

During the summer, they attended the International Cheerleaders Foundation Workshop at Mercer University for a week to work on the techniques of cheering. They were advised by one of Southwest's former cheerleaders, Janice King. At the camp, they were recognized as being the group with the most effort and improvement. They also won second place in all-around competition.

The cheerleaders supported the Junior Varsity football and basketball teams by cheering for every event.

JR. VARSITY FOOTBALL

The Jr. Varsity Football team receives little recognition for the hours of hard work they devote to the sport. These athletes began practice in the spring of 1980, played one spring game, and then resumed practice during the summer months. They work hard in order to train for the Varsity Squad.

Standing, L to R: Fredrick Wright, Tom Douglas, Ray Thomas, Jack Cote, Robert Collier, Robert Horn, Tony Ad side, Marvin Smith, Lloyd Johnson. Kneeling, L to R: Kenny Wayne, Charles King, Eddie Wallace, Bobby Redmond, Damien Farmer, Tony Murphy, Richard Maxwell.

WRESTLING

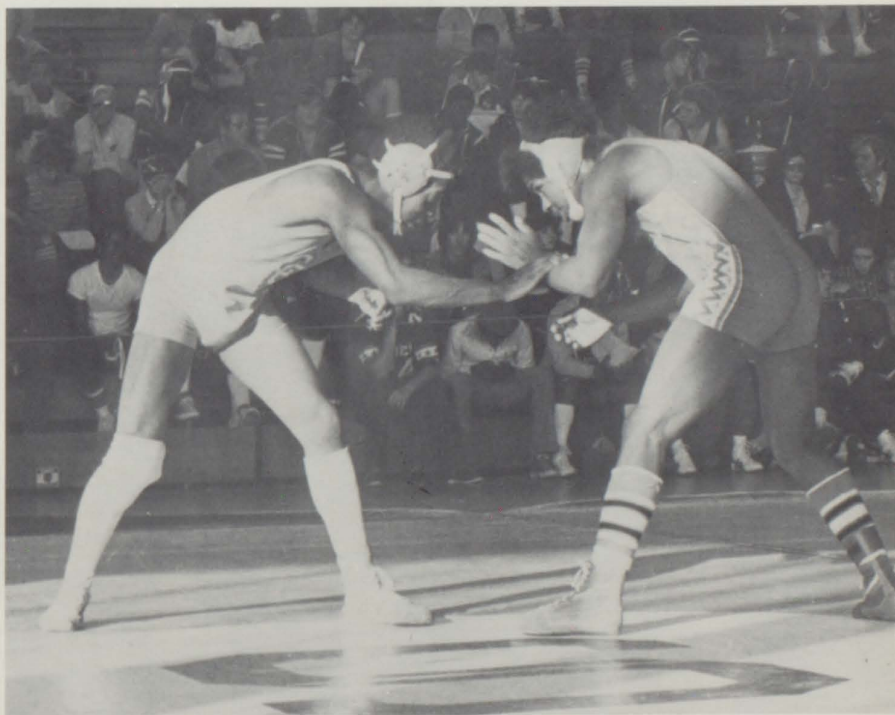

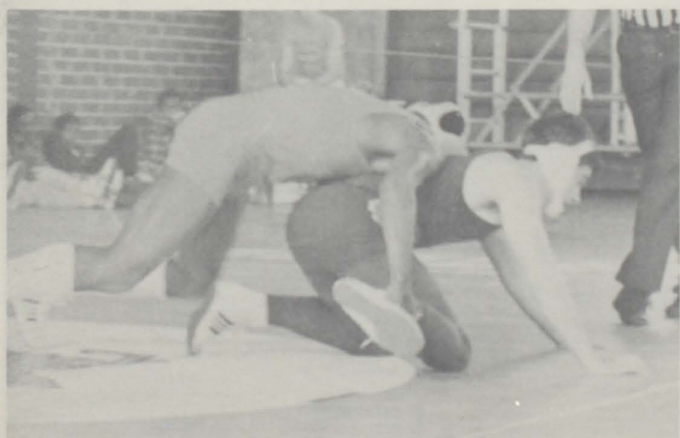

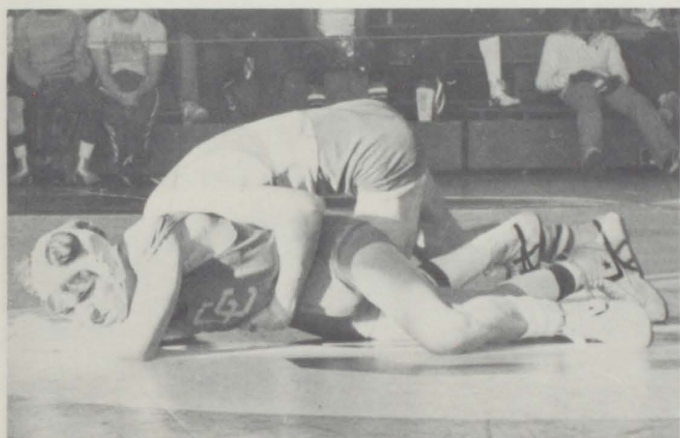

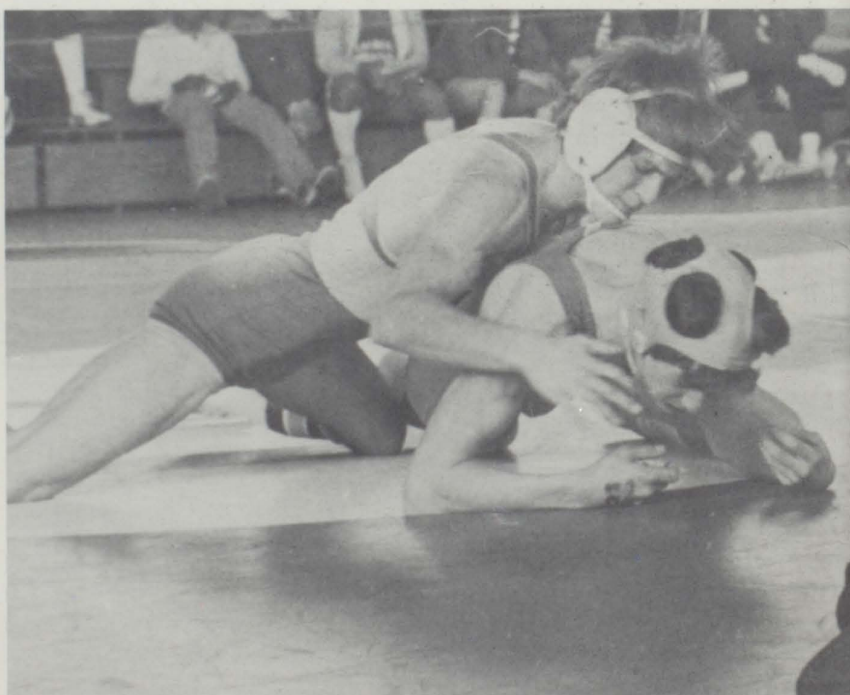

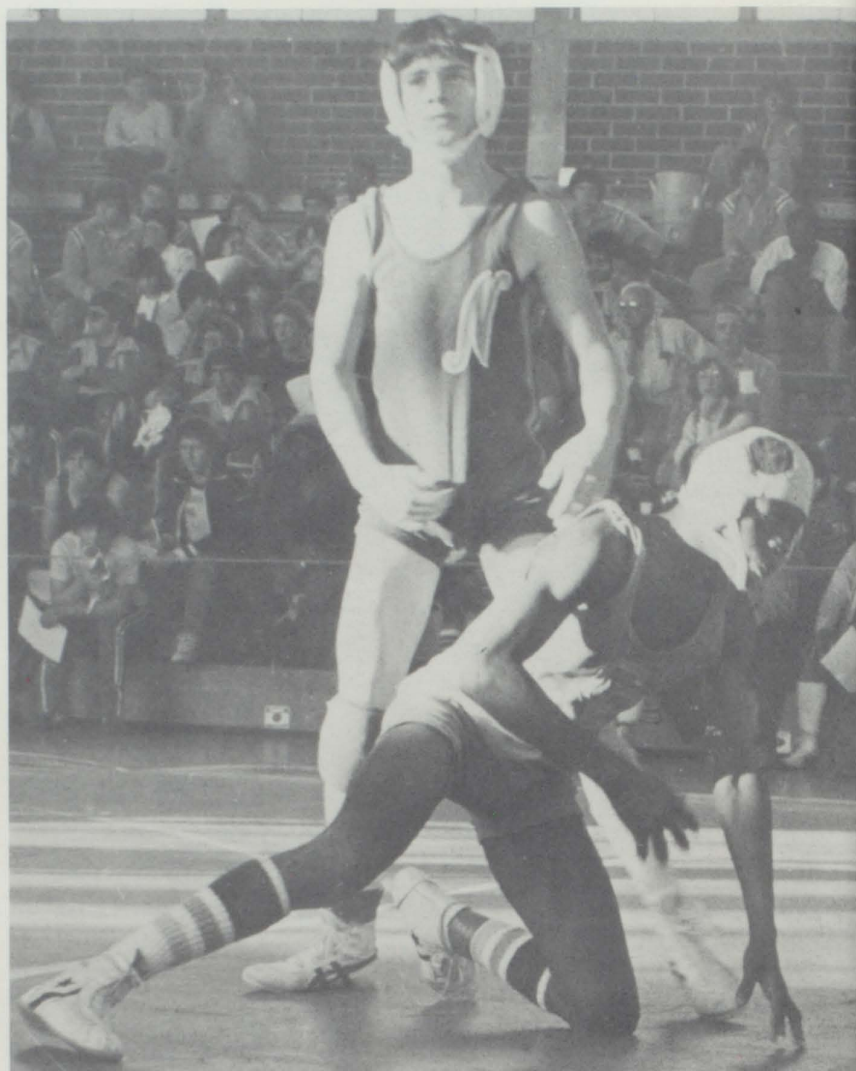

Left to Right: Sammy Weeks, Roy Carr, Gary Powell, Gerald Mack, Bobby Scarbrough, Kelly Purvis, Harold Hallman, Willie Hardy.

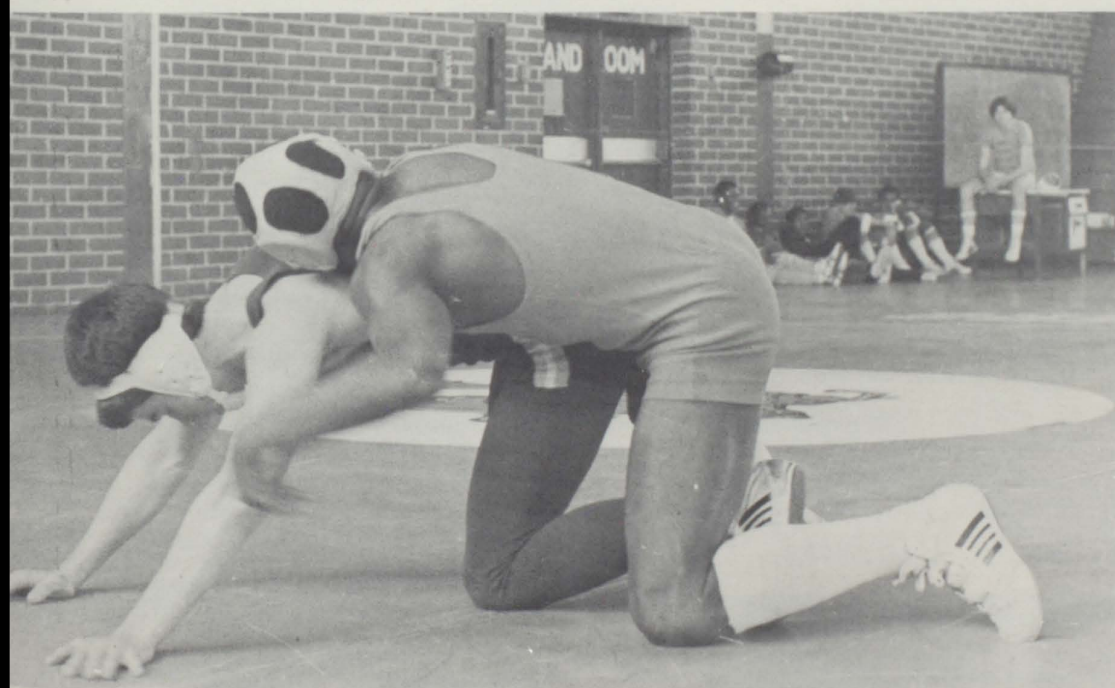

Did you ever wonder what the most demanding sport in America is? Well, it's Wrestling. This particular sport demands good endurance, strength, and agility, yet requires the athlete to maintain an assigned weight which is usually much less than his normal weight. Wrestling scores are based on near falls, near pins, reversals, escapes, and takedowns, with a pin resulting in a win.

Southwest's eleven-man Wrestling team was coached this year by Coach Dennis Gorman and was represented at ten matches in eleven of the fourteen weight classes.

The team practiced fifteen hours weekly from the beginning of September to the middle of March. These long hours of practice brought Southwest four trophies in individual competition at the sub-region level, as well as a state champion wrestler. Southwest also took the first-place trophy for individual competition at the Southwest Invitational Wrestling Meet and second place at the Troup County Tournament. Southwest Patriots will Pin and Win!

BOYS' TRACK

The boy's track team was gifted this year with excellent sprinters such as Tony Adside, Victor Dennis, Horace Dennis and Benny Heinzelman. Their players have run distance and won events in both the mile and two mile runs. Although the team itself has not come out as well as expected, individuals have brought back wins in hurdles, long jump and 880 yard dash. Seven boys from Southwest made it to the Region held at Shaw High School in Columbus, Georgia, where Tim Green ran hurdles; Tony Adside, the 100 yard dash; Carl Howard, the long jump; Horace Dennis, Albert Thomas and Fred Porter, the mile relays. The players look on the year as the foundation on which to build a better team for next year. Team members this year included: Tony Adside, Horace Dennis, Kerry Evans, Tim Green, Benny Heinzelman, Carl Howard, Barry Marchman, Lawrence Mims, Donnie Miles, Fred Porter, Albert Thomas, Herbert Wade, Eric Woodard, Fred Campbell, Glen Clidewell, Michael Holston, Reggie Green, Anthony Boston — Trainer, Bruce Lockett — Trainer, Andria Loyd, Robin Danielly — Stats., Pam Clark, Stats.

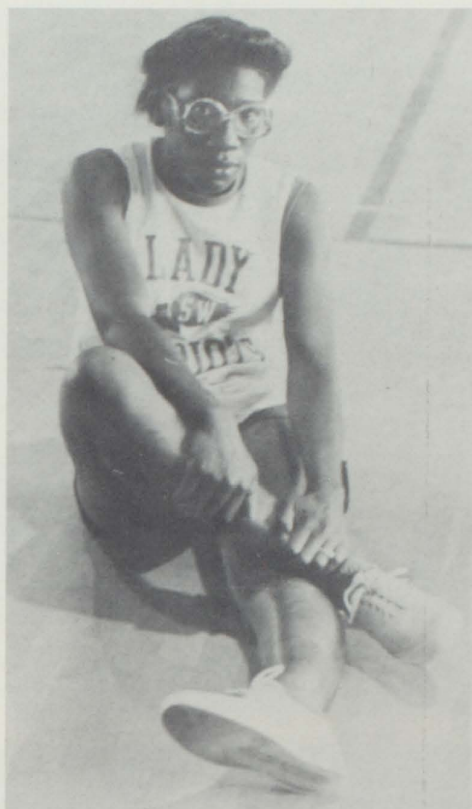

GIRLS' TRACK

Back Row: Iris Hill — Assistant Coach, Ann Proctor — Head Coach. 2nd Row: Todd Pew — Manager, Carol Hallman, April Campbell, Susan White, Renita Hills, Doug Smith — Manager. 3rd Row: Cynthia Holston, Felisa Beddingfield, Tracy Thomas, Vicki Harris. Bottom: Jackie Brown, Carla Willis, Lisa Carr.

Track is a sport which requires endurance, speed, and strength. It takes endurance to run the 2 mile relay, speed to pass an opponent's runner, and strength to win. All three of these qualities were displayed in our Girls' Track Team members this year.

Although the participants worked hard to make this a successful year, it was not as victorious as they had wished. They took first place in two meets, the first two of the season. 8 times they took second place, and once they took third place.

The hard-working team members were all very successful individuals with two of them holding school records. Carol Hallman, a Senior, holds the school record in the Discus throw (120'9"), and also in the Shot put (36'11"). Lisa Carr, who is a Sophomore, holds the record in the one mile run (5:39.0).

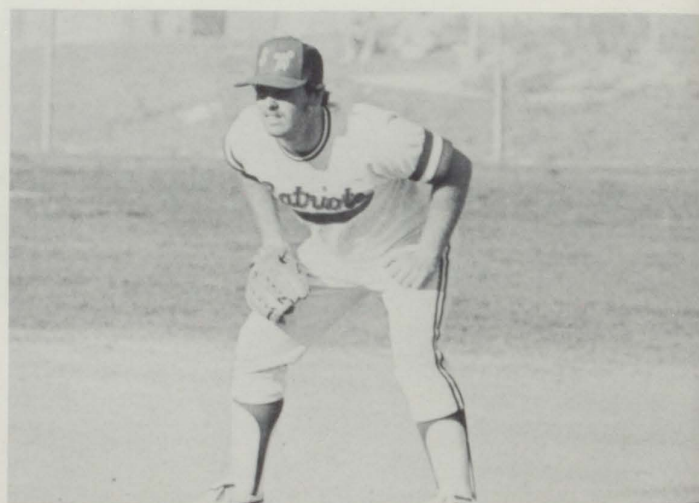

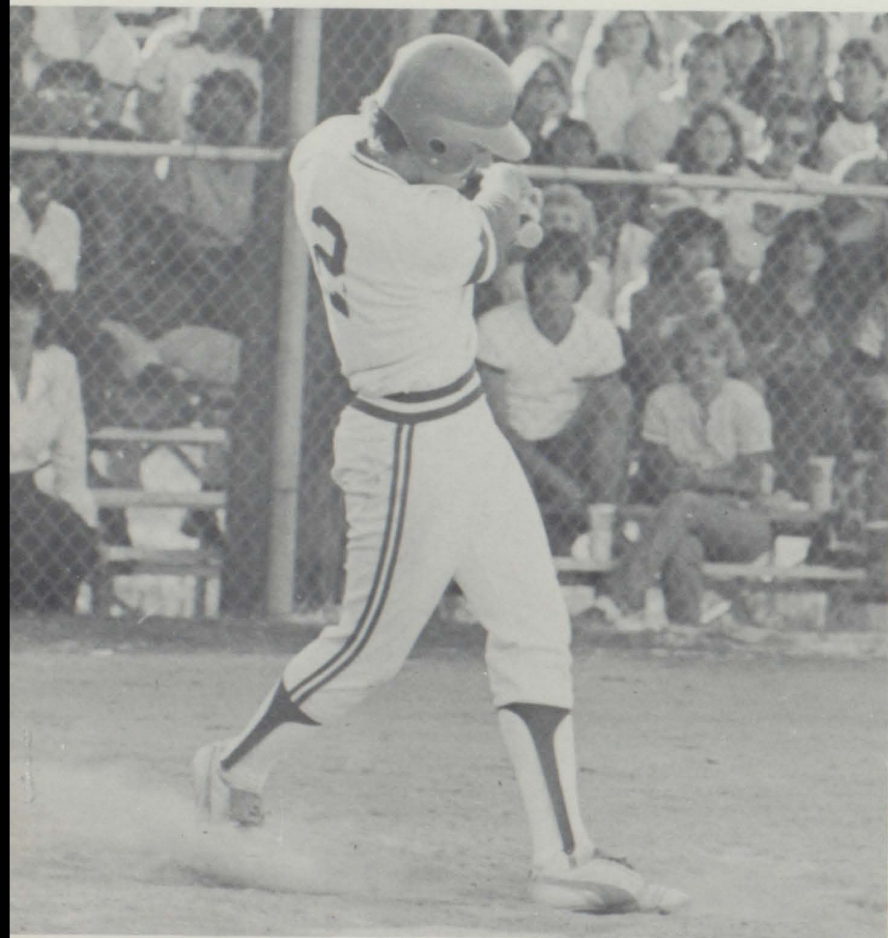

Although some good players are graduating this year, the team looks forward to a victorious season for next year.

VARSITY BASEBALL

Back Row: Jeff McBryant, Wes Sherrell, Roy Hattaway, Billy Brooks, Shane Haygood, Coach Hatcher. Middle Row: Tony Shepherd, Jeff Pettit, Eddie Taylor, Taylor Kitchens, Mike Shepherd, Randy Griffin. Front Row: Kevin Knight, Steve Carroll, Mike Spivey, Jeff Martin, Robbie Bishop, Coach Ashley.

The Varsity Baseball Team, coached by Eddie Ashley, finished the season with a 12-8 record.

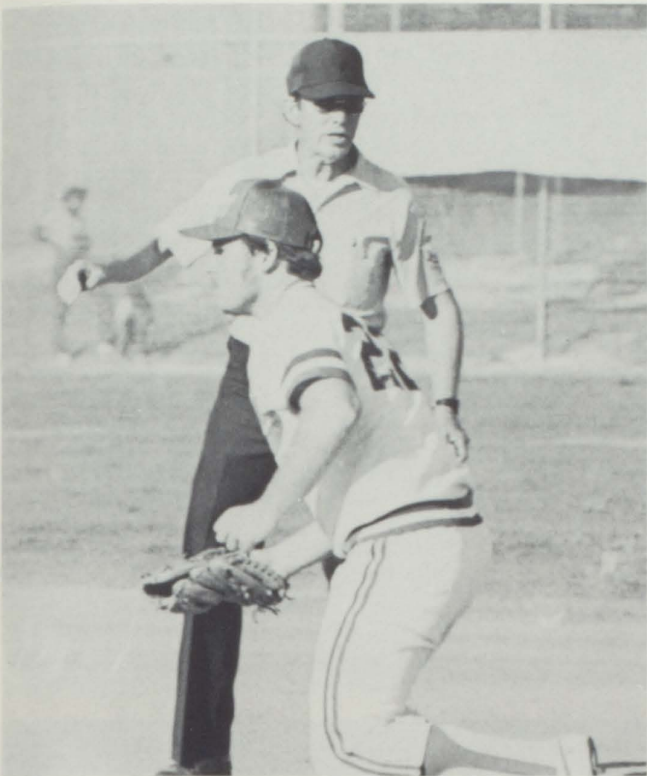

The Patriots participated in the Lem Clark Baseball Tournament April 1-4, where they were named second runner-up. They also were named second runner-up in sub region competition.

Tony Shepherd was named Most Valuable Player for the 1981 season. He led the team with a .438 batting average, 24 runs, and 4 doubles. He was on base 56% of the time. Dale Mosely was on base 50% of the time and led the team in stolen bases with eleven. Jeff McBryant and Mike Shepherd, both starting sophomores, had a batting average over .300 for the second consecutive year. Mike hit six home runs and batted in seventeen runs this season. Billy Brooks, one of the Patriots' lead pitchers, had a 7-3 record. Sophomores Shane Haygood and Eddie Taylor each were noted for their outstanding pitching abilities this season also.

With the loss of only four seniors, Coach Ashley is expecting a successful season next year.

SOFTBALL

Standing: Jackie Brown, Karen Kitchens, Cindy Parks, Dana Stevenson, Angela Baggs, Tommy Helms, Dawn Roby, Sherry Webb, Melissa Cuyler. Kneeling: Alisa Walton, Peggy Durden, Zana Burns, Debra Smith, Viette Mixon, Tracy Weiche, Dawn Morgan, Carla Willis.

The Girls' Softball Team of 1980-81 produced a phenomenal year from the thrills of victory to the agony of defeat. The ladies continued to work hard throughout the season, batting and fielding with an unyielding perseverance.

The team was under the supervision of Coach Raynette Evans and was led by an outstanding player, Cindy Parks. Cindy is the most experienced player and has played for Southwest for three years.

Another outstanding player is Carla Willis, who is a freshman and a heads-up baserunner. Miss Evans said that Carla has a potential to be a great softball player in the future.

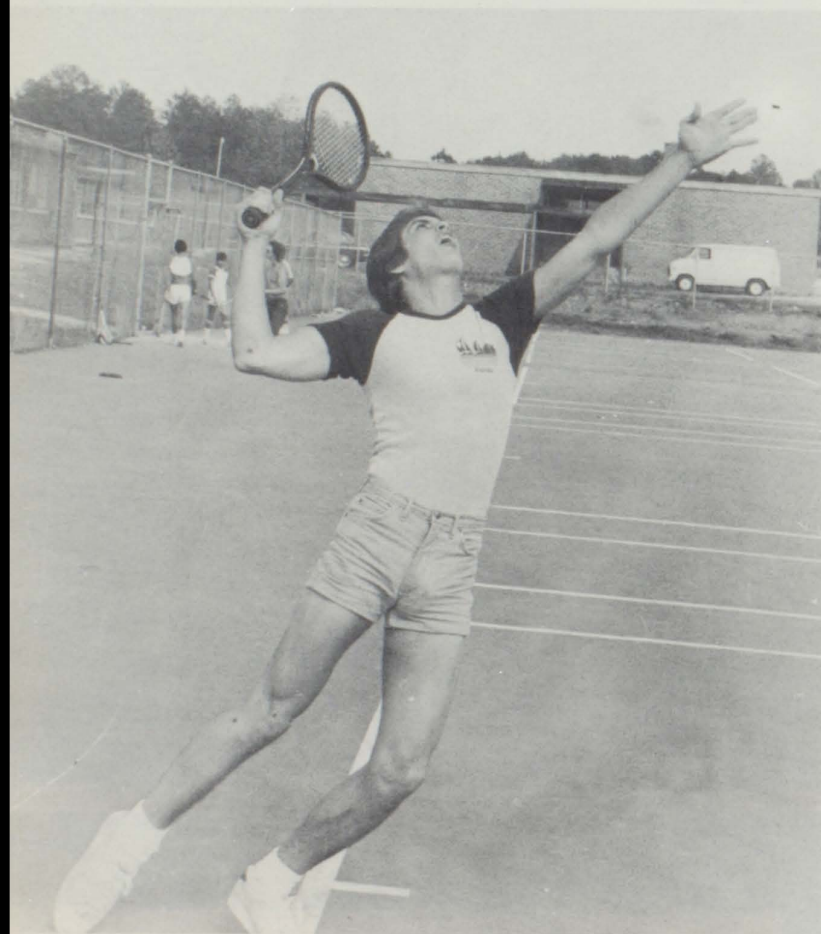

Although the Softball team had a 6-6 overall record, the season was definitely a challenge.

TENNIS

L to R, Back Row: Bruce Rouse, Shelton Moye, Eric Evans, Joel Dawson, Coach Richardson. Kneeling: Tony Kim, Hank Wiggins, Brian Gonzalez. Not Pictured: Tim Johnson, Jay Murray.

to R, Standing: Lisa Gillion, Michele Halterman, Pam Akins, Willimena McMullins, Charla McCauley. Kneeling: Kwajalyn Washington, Carol Cater.

The Boys' Tennis Team, which consisted of nine members, was coached by Don Richardson. The young men put in long hours of hard work approximately five days a week. At the Mens' Tennis Finals Brian Gonzalez, Bruce Rouse, and Tim Johnson came out victorious in their over-all matches. These players led the team this season. Although the Boys' Tennis Team was not as successful as expected, the year was a training experience for each player.

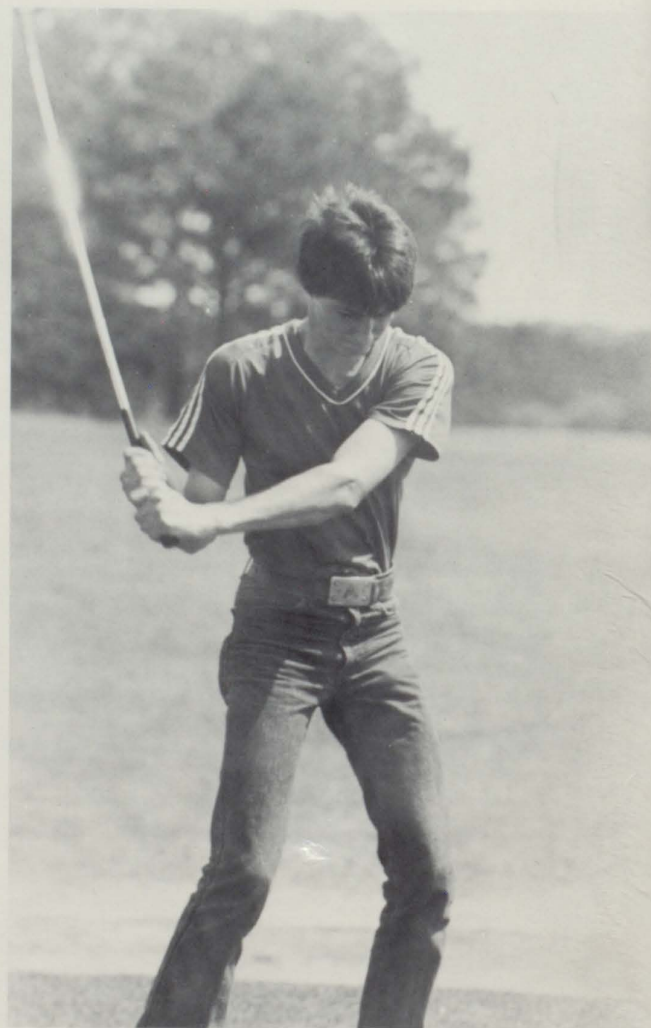

The Girls' Tennis Team for the 1980-81 season consisted of seven outstanding players. Each one of these young ladies worked progressively in order to make Coach Albert Sharpe proud of her. Missie Halterman, who was new at Southwest this year, and Carol Cater were both hard workers and always put the team first. Coach Sharpe feels that Pamela Akins, Carol Cater, Missie Halterman, Kwajalyn Washington, and Selma Myrick possess a great deal of Tennis potential. With all this talent our team should be successful next season.

GOLF

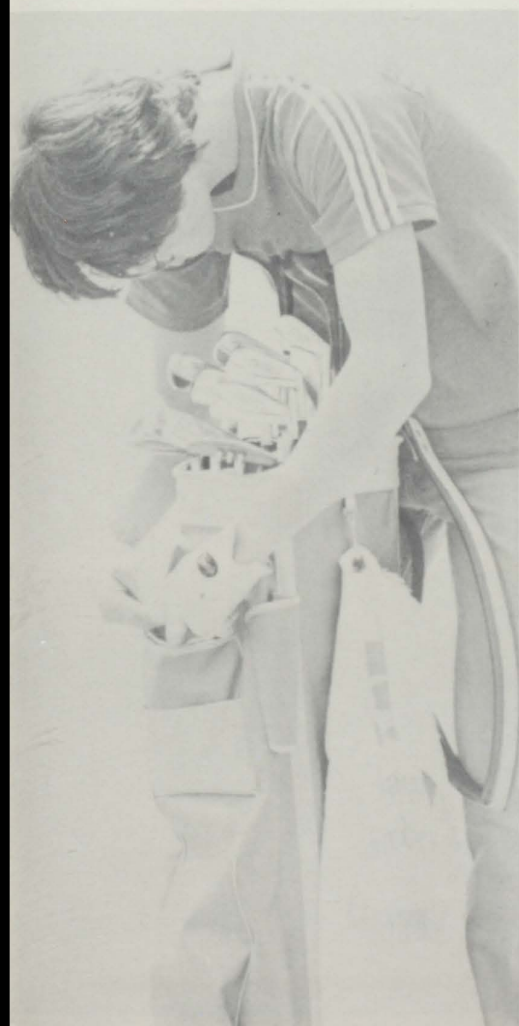

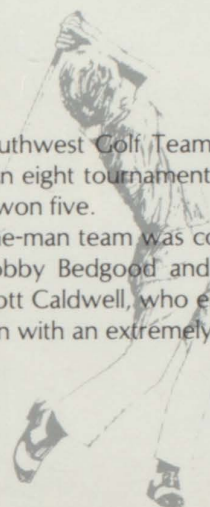

Coach Bedgood, Scott Caldwell, Mark Daniels, Dewayne Herring, Lane Lovell, Jeff Lowe, Dale Rowe, Eugene Stinson, Brian Williams. Not Pictured: Cliff Menchew.

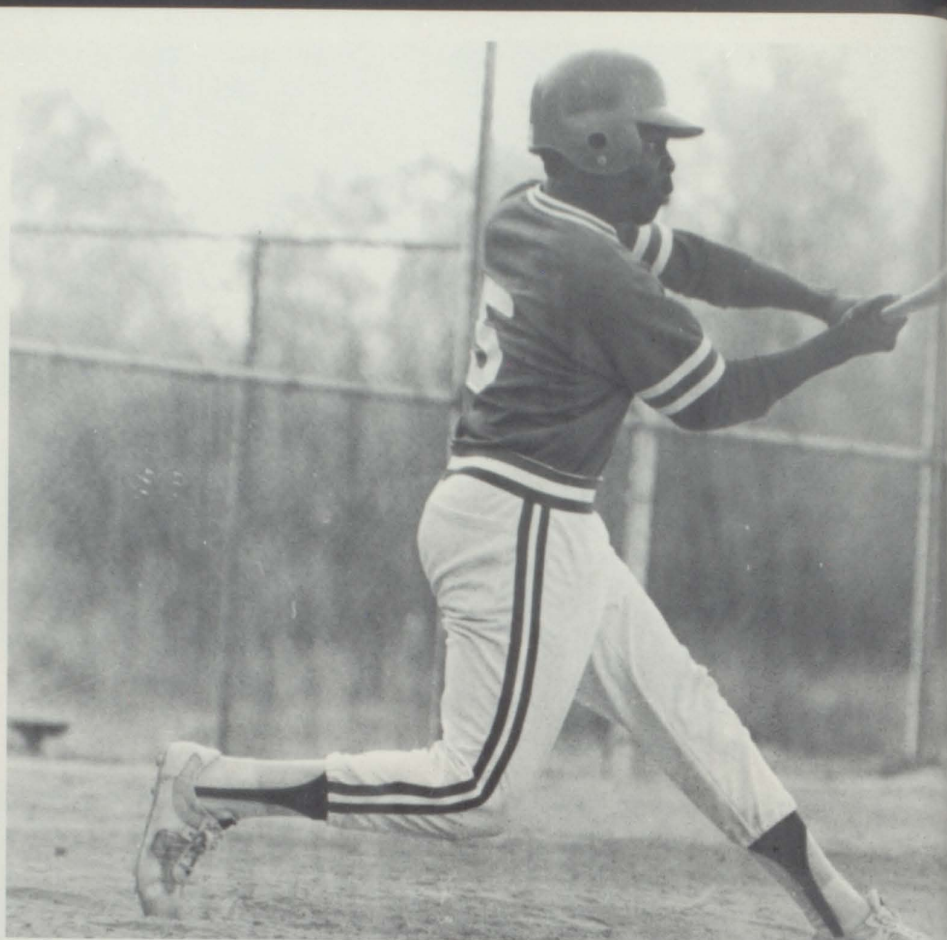

The Southwest Golf Team participated in eight tournaments this year and won five.

The nine-man team was coached by Bobby Bedgood and was led by Scott Caldwell, who ended the season with an extremely high average.

JR. VARSITY BASEBALL

The Jr. Varsity Baseball team won five of their six games this year. They were coached by Eddie Ashley and Edgar Hatcher.

According to Coach Hatcher, the main purpose of a B-team is to give each participant the chance to get experience on the field. Having had a year's experience, the B-team members will be expected to be an important part of the Varsity's success next year.

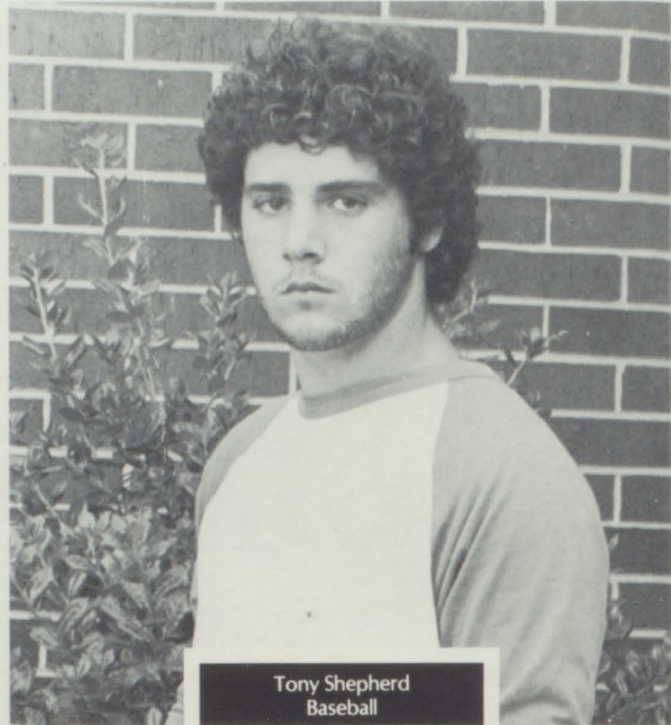

Coach Ashley was proud of the team and hopes each participant will try out for Varsity next year.

L to R, Standing: Coach Edgar Hatcher, Mike Moye, Wendell Ward, Kelly Purvis, Jeff Martin, Wes Sherrell, Mike Bulter. Kneeling: Neal Killen, Dusty Rhodes, Philip Johnson, Mike Rowland, Mark McCranie, Bernard Harden.

Outstanding Athletes

Tony Shepherd, the Most Valuable Player on the 1981 baseball team, feels that playing on the team gives him a chance to get the most from himself in an event he loves. Tony's main asset is hitting. He led the team with a .438 batting average, seven homeruns, 32 runs batted in, 24 runs, and four doubles. According to Coach Eddie Ashley, "Tony has no major weaknesses." Tony has played baseball seven years, four of which were for Southwest. Tony has never played any position other than catcher. According to one avid Southwest baseball fan, "His alertness is the key to his success. He knows what to do when he gets the ball."

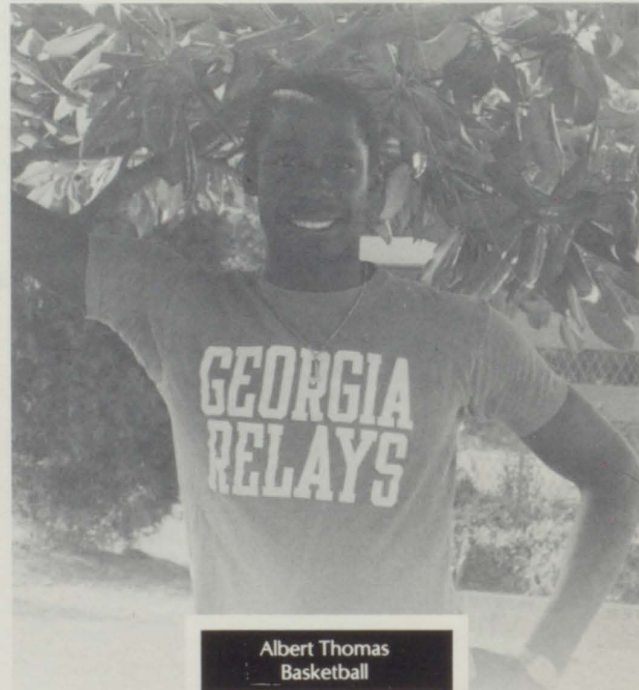

Tony Shepherd
Baseball

Tim Johnson has played tennis for eight and one-half years. He practices twenty to twenty-five hours each week. Tim was the number one player on the Southwest tennis team this year, won the championship for the past two years on his church team, and has participated in several other tournaments at Tattnell Square and John Drew Smith Tennis Center. Tim says he likes tennis because it's an individual sport. He feels tennis is a challenge because it demands a high level of concentration. Tim hopes to play tennis for the University of Central Florida after graduation.

Albert Thomas
Basketball

Southwest is 2 points behind, there are 5 seconds left in the game, the crowd is going crazy and who pulls us through? Albert Thomas. He is a team leader and an excellent player. He averages sixteen points per game making the victory one well worth waiting for.

As co-captain of the SW Lady Patriots Basketball team, Valerie Tard led her team to a winning season. Valerie, a Junior, won a volunteer scholarship and hopes to continue her basketball career at Mercer University.

Harold Hallman
Football

Harold Hallman, Southwest's best linebacker, won a scholarship to Auburn State College for his excellence in football. He was the Most Valuable Player for the 1980-81 season. He also received the 1980-81 Golden Helmet Award presented annually by the Coca-Cola Bottling Company.

Other honors include: selection for the All Middle Georgia Team and the Macon Touchdown Club Player of the Year.

Cindy Parks
Softball

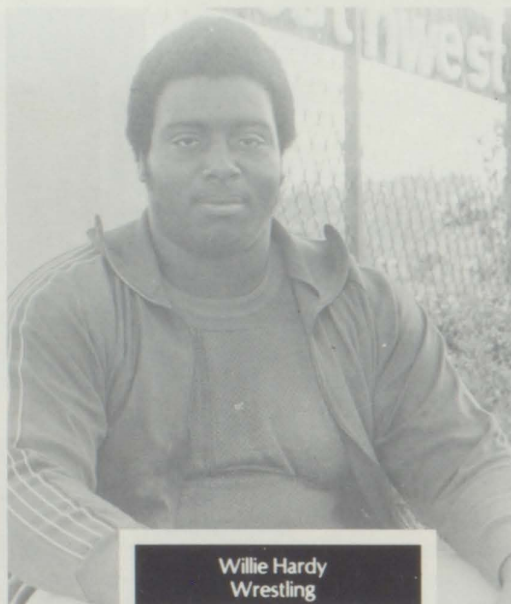

"Cindy Parks never backs away from a ball. I have seen her hit in the chest and face and she still wouldn't back down," commented Coach Ann Proctor. She has played softball for nine years. Three of those years were for Southwest. Cindy plays short-stop and second base. Her main assets are a strong arm and a great attitude. Cindy is one of the most coachable girls to ever pass through the McEvoy B gym according to Mrs. Proctor.

Renita Hills
Track

As a senior, Renita Hills broke a school record in the 8 pound shot competition with a put of 39' 11". She also participated in the 440 yard relay, the 220 yard dash, and the one-mile relay. Renita remained undefeated in the 440 yard dash until the state competition where she placed second. She hopes to get a scholarship to Alabama State University.

Willie Hardy was named third runner-up in the sub-region competition, region, and state competition. He also placed second in the Troup County Invitational Meet. According to Coach Dennis Gorman, self-discipline is one of Willie's main assets.

Willie Hardy
Wrestling

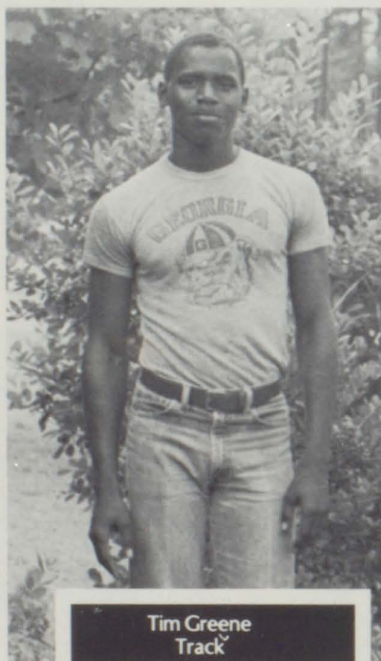

To be a good two-mile cross country runner, you have to learn to overcome exhaustion and run with it. Carol Hallman does just that. Carol, a senior, is "very dedicated and self-disciplined," commented Coach Ann Proctor. Her top time for the run was 16:00 minutes. Carol also set a school record in the discus competition with a throw of 120'9".

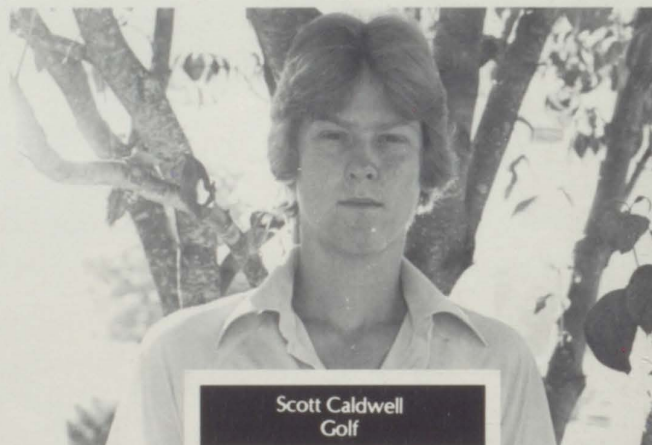

Carol Hallman
Track

Tim Greene, a senior at Southwest, received the High Point award for scoring the most points of anyone on the Southwest track team. He also received the Best Hurdler Award for his rapidly improving hurdling record. Tim is a three-year letterman in track and was second runner-up in the region 330 intermediate hurdle competition. He also participates in the 120 high hurdle competition. His best personal time in the 330 hurdles is 40.3 seconds.

Tim hopes to receive a track scholarship to either Berry College in Rome, Ga., or Barton County Community College in Great Bend, Kansas.

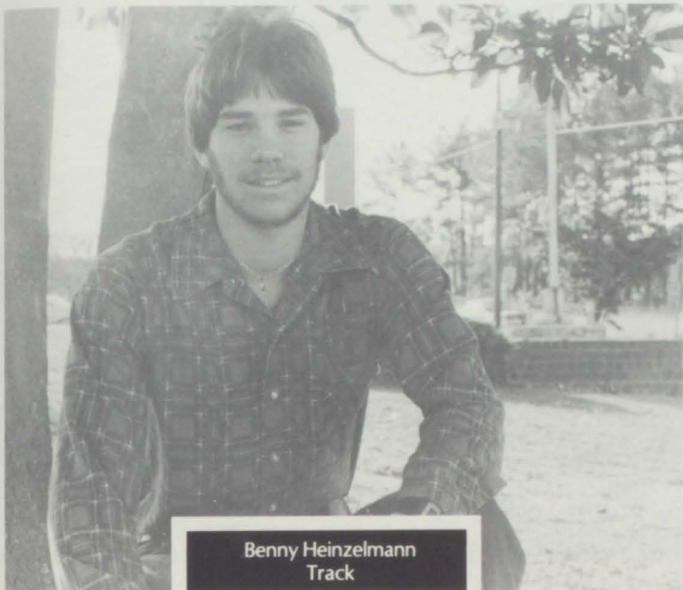

Tim Greene

Scott Caldwell
Golf

Scott Caldwell, a sophomore, has participated in several golf tournaments with other area public and private high schools. "Scott has a level head and is very mature for his age," commented John Crawford. Although he is not required to take a golf class in school, the extra practice he receives is instrumental in making Scott a successful golfer. "If he continues to practice and think serious, he could become a professional. He definitely has the potential," continued Mr. Crawford.

Benny Heinzmann, the number one runner on the Southwest boy's cross country track team, was selected as an outstanding athlete of the year. "He has good potential as a distance runner," commented Coach David Cary. Benny, a junior, has been running track for two years. He is best in the 3-mile run. His top time in that event is 3.588 minutes.

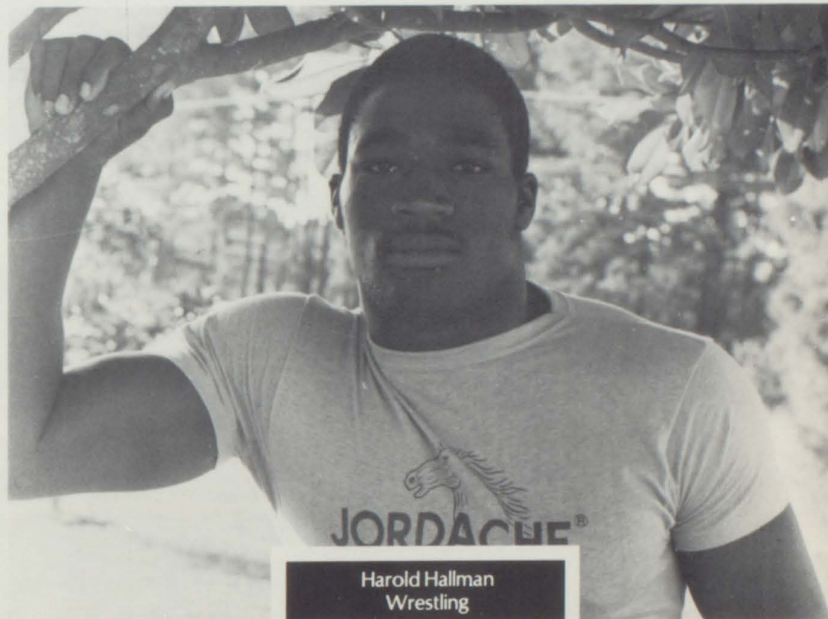

Benny Heinzmann
Track

Lisa Carr
Track

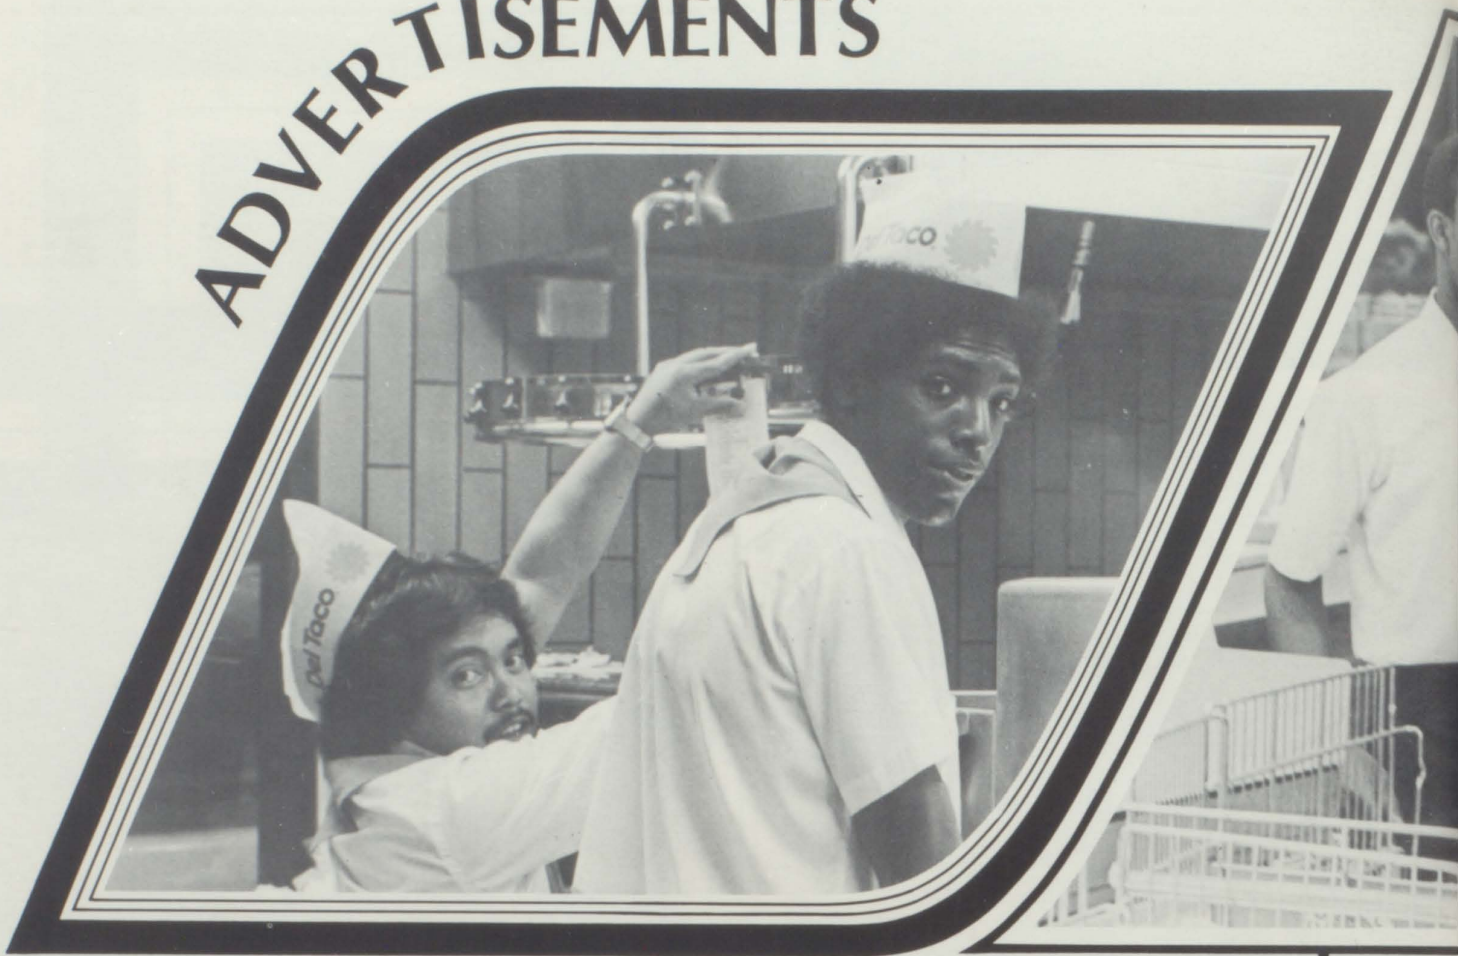

Lisa Carr, a sophomore, set a school record in the one-mile run when she finished in five minutes and 39 seconds. She also participated in the two-mile run, the 440 yard relay, the one-mile relay, and the 880 yard run. Lisa runs five to 25 miles per week in preparation for competition. She was undefeated in the two-mile run until the region competition where she placed third. According to track coach Ann Proctor, "She is a good example of a true athlete. She is self-disciplined both on and off the track." With these qualities, Lisa should be very successful next year.

Harold Hallman
Wrestling

Because Southwest had no one to wrestle in the 175-195 pound weight class, Coach Dennis Gorman asked Harold Hallman to give the sport a try. He did and took the state title in his first year of wrestling. Harold finished the season with a 30-0 record and 24 pins. Harold received a scholarship to Auburn State College in football but hopes to participate in wrestling as a walk-on. He has received several awards and honors including Most Valuable Wrestler, first place in the Troup County Invitational Meet, first place in the sub-region, first place in the region, and first place in the Southwest Invitational Meet.

ADVERTISEMENTS

Tribute to Lennon

Although several significant events took place in the hit music world of 1980, none so shocked the nation as the shooting death of ex-Beatle, John Lennon. After notification of Lennon's death reached radio broadcasters across the country, most stations, regardless of regular format, programmed extensive Lennon and Beatle music. The music world felt sincere grief at the loss of this man who so drastically changed the course of contemporary music.

The long, hard-fought elections of 1980 included the presidential and vice-presidential seats, numerous congressional, gubernatorial, state congressional, and local seats. Thanks to Reagan's win over Carter, the Republican party celebrated their largest victory in years. They regained the presidency and a majority in the senate.

Fads and Fashion

The goal of every fashion-conscious person today is to be preppy. If you're not wearing an izod or a button down complete with dock siiders, nikes, loafers, or espadrilles, you're just not "with it."

Designers clothes are also in the scene. Gloria Vanderbilt, Jordache, and Calvin Klein, to name a few, adorn the right hip pocket of those who desire the sophisticated look.

Fringed shirts, cowboy hats, and dingo boots comprise the western look, designed for outdoor people. Anyone who has ever dreamed of wrangling can dress the part and escape the real danger and exhaustion of ranching.

Of course, the way one wears his or her hair also makes a difference. The curly look and braided beads are among the preferred styles, together with combs and hairbands for an added touch.

"How 'bout them dogs!" is the popular expression when referring to the dynamic Georgia Bulldogs. This saying, accompanied by a picture of that dog himself, keeps turning up everywhere, especially on bumpers, clothes, coca-cola bottles, and notebooks.

Trans Am, Corvette, Mustang, Cobra, Camaro, Firebirds and other such sporty models, head the best list of outstaneding cars. The dream of every motorist is to drive, or even own, such a magnificent vehicle.

Sports

The Winter Olympics turned out a success for the U.S. Our hockey team, led by Jim Craig, defeated the second ranked Russian team then won the gold medal from Finland. Eric Heiden won five gold medals in the men's speed skating event, not losing a single race.

The Georgia Bulldogs also had an outstanding year. They won their first national football collegiate championship. However, they didn't stop there. They went on to defeat Notre Dame in the Sugar Bowl on New Year's Day which left the "Dogs" with the only undefeated, untied record in division I football.

Other outstanding victories in sports include the Philadelphia Phillies' defeat over Kansas City, four to three, in the World Series and the Super Bowl XV championship for the Oakland Raiders, who defeated the Philadelphia Eagles.

SCIENCE NOTES

Science, the magic word that inspires mankind with hope despite shattering misfortune, has surely been working overtime in the '80's.

Switzerland successfully cloned three rats — will humans be next?

Voyager I traveled to Saturn and relayed priceless knowledge to American scientists including evidence of over 10,000 rings instead of six and the possibility that Saturn's moon may one day support life — does life exist on other planets?

A tumor was successfully removed from a young boy's head: the tumor was found to be his twin — how many humans could be living with similar situations?

Scientists discovered that coffee can cause cancer of the pancreas — how will that effect those who have coffee just to wake them up every day?

We're proud
of you

Easy Come — Easy Go

How do Southwest students spend the money they so diligently earn?

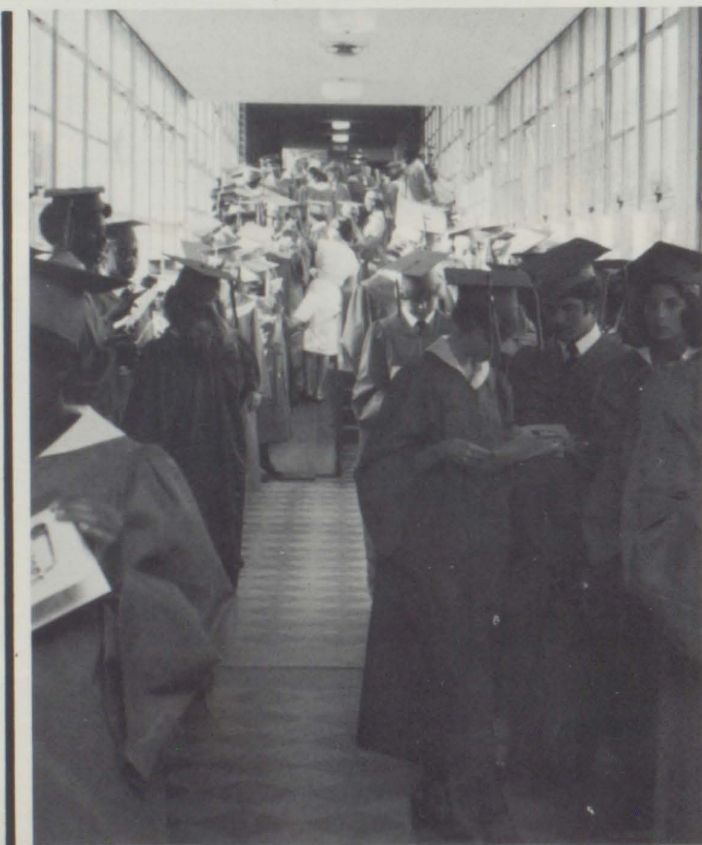

Concerts are their favorite way to part with their paycheck. And the Kenny Rogers concert was no exception. Maconites paid \$12.50 for a ticket to see Kenny, Dottie West, and Gallagher performing live in the Macon Coliseum on Thursday, April 16, 1981.

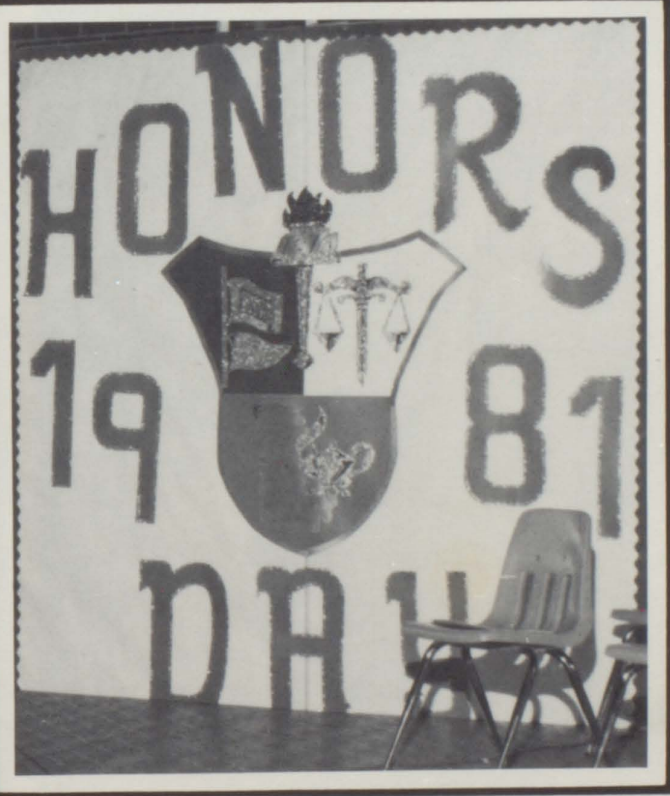

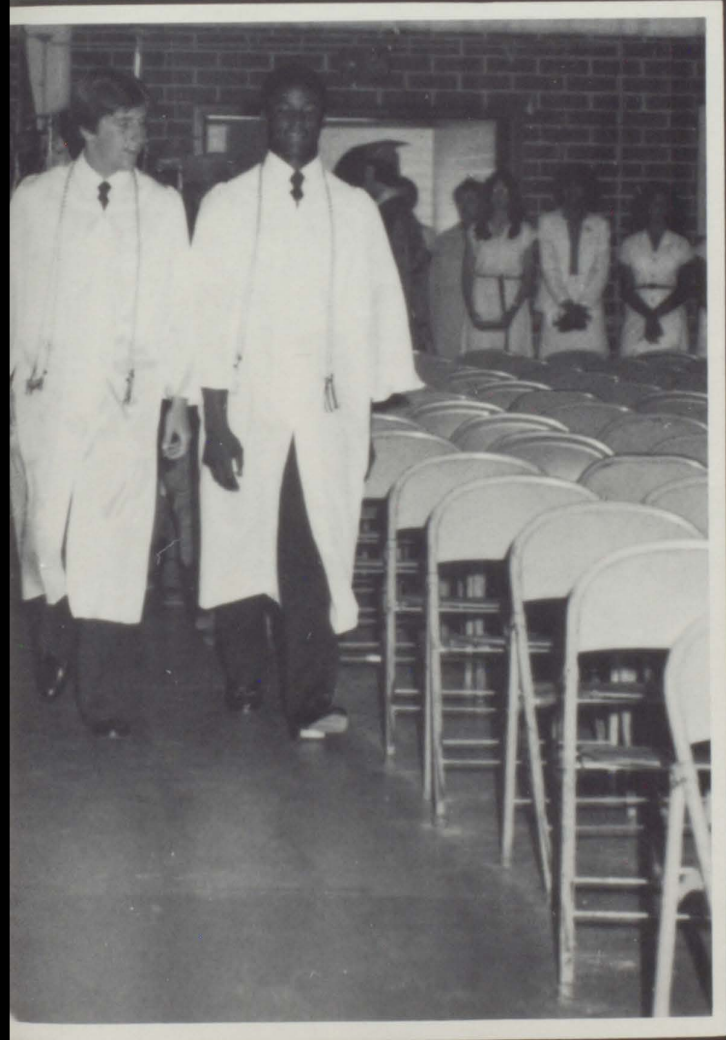

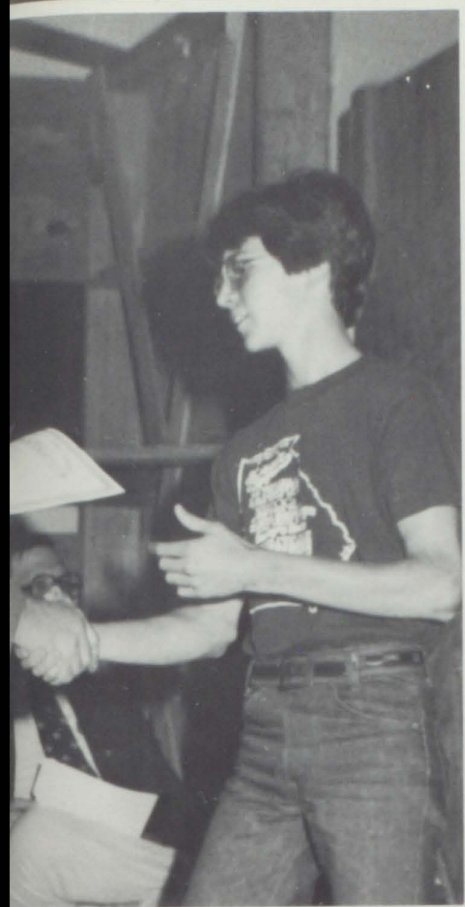

Clothing also takes a big part of their salary. Your shirt and pants must fit exactly right before you give up your money for them. In short, they must fit as if they were tailor made especially for you.

Skating is perhaps the most popular form of recreation among students. And roller disco has become an obsession! Couple skating, triple skate, and flashlight are oldies but still enjoyed by all skaters today.

FEATURES

Achievements

1. Charlotte McMullins, James Blount, Norman Carter and Derrick Duncan were chosen to participate in the All State Chorus, a well-deserved honor for outstanding chorus members.

2. The Governor's Honors Program, sponsored by the State Board of Education, provides the academically talented students from both private and public schools the opportunity to spend six weeks together on a college campus in Dahlonega or Valdosta. Students are selected carefully through nominations, tests in their subject of nomination, and finally interviews conducted by G.H.P. instructors. For the summer of 1980, Ralph Cleveland was selected in art and Felecia Killen in math.

3. Who *did* say, "No man is an island?" Socrates' wife was named WHAT? Students who participate in Academic Bowl prepare themselves to answer such questions over every area — from comics to calculus — and fast! In competition, the winning team is often the one whose members raise their hands first. Six Southwest patriots chose to participate in this challenging competition: Richard Weekley, Felecia Killen, Kendall Countryman, Angela Eubanks, and John Bridger.

Academics

1. The High School Internship Program is a career oriented program which offers students the chance to spend part of their regular classroom hours outside the school. It allows students to choose a designated subject area and become familiar with it for a quarter or its equivalent. Each participant receives credit for five hours of social studies, five of language arts, and the remainder as electives. Although the students do not receive pay for their internship, they do have the opportunity to see the different aspects of their career choice and hopefully make a decision on whether it is the right one for them.

2. Three Southwest High School students were chosen to attend Girls' State held at Middle Georgia College the week of June 8-14. Charla McCauley, Anne Schofield and Sherry Thompson attended the program to learn about the principles of local and state government. Participants set up city and state governments, campaigned for positions within them, and listened to several important speakers.

3. Robin Hutchinson and Steve Sewell, chosen along with 60 other students from New York to Puerto Rico, were participants in the National Science Foundation Student Science Training Program of Seminars and Research in Science and Engineering at Georgia Tech. (NSF/SSTP). The seven week program consisted of two seminars a day, presented by college instructors, and project work on a chosen topic. Extracurricular activities included a trip to Six Flags, parties, picnics, and field trips.

4. Cynthia Smith and John Daniels along with other students spent six weeks of their summer preparing themselves for a career in the medical field. Augusta Medical College hosted the GA Medical Program. Qualifications for participation included at least a B average or a minority background, and completion of a program application.

Golden Eagle Award

Three years ago the Macon Telegraph and News presented the first Golden Eagle Award to area high school students who had achieved excellence in academic and personal achievement. The difference in this year's awards? Southwest did what no other high school has done in the history of the program — it brought back six of the eleven awards, plus one honorable mention. Nominees for the award were judged on their academic achievement, service, and interviews with judges chosen from outstanding authorities in each field. Winners received a three-hundred dollar scholarship and a trophy; runners-up, a plaque and fifty dollar scholarship; and all other nominees, a certificate.

Deca awards are given to business students who excel in several business related areas. In the district, Jill Baggarly won first place for general merchandising, and three people tied for third: Denise Bryant for student of the year, Ramona Loyd in Finance and Credit, and Patricia Ferrebee in Job Interviews. Jill Baggarly went on to win first place in the state. She will compete on the national level in Anaheim, California.

Star Student

The STAR program, an acronym for Student-Teacher Achievement recognition, designates winners at the school, county, and congressional district levels solely on the basis of Scholastic Aptitude Test scores. The student's highest verbal score and highest math score on tests taken from January through December of the preceding year are combined. At the State level of competition, these combined scores are considered in conjunction with interviews and essays. This year Robin Hutchinson took the title of STAR Student at Southwest with an SAT Score of 1630. Robin chose Norman Neubold as her star teacher.

1. GOOD CITIZENSHIP (SOROPTIMISTS)

Jim Fullington was awarded first place and Patricia Barlow third in the annual Youth Citizenship Award competition sponsored by the Macon Soroptimist Club. This award is based on leadership qualities, personal dedication and sense of purpose. As well as having a 4.0 average, Jim is involved in the football program, Beta Club and other school activities. He also won the DAR Citizenship Award.

2. Steve Sewell won the Century III Leadership program. This is a scholarship competition which emphasizes future concerns of America. Students were judged on the basis of their leadership abilities, community involvement and scores on a current events examination. To compete at State level, the student must write a brief projection outlining what he/she thinks is one of America's future challenges and how it should be met.

3. MACON JUNIOR AWARDS

Several eleventh and twelfth grade students were selected to participate in a library workshop held at Macon Junior College, Thursday, May 14. They participated in the short story and the poetry categories. The short story portion was limited to 1500 words; the poetry to 60 lines. Both were graded on theme and effectiveness of techniques of fiction. The twelfth grade participants were each asked to apply for one of the two Macon Junior Foundation Scholarships. The workshop was very beneficial because it allowed the students to receive constructive criticism.

Creative Writing Contest Winners:

Jr. Poetry 4th place Felecia Killen

2nd place Chuck Lee

Jr. Fiction 3rd place Julianne Johnson

1st place Densen Churchwell

Sr. Poetry 2nd place Terri Morelock

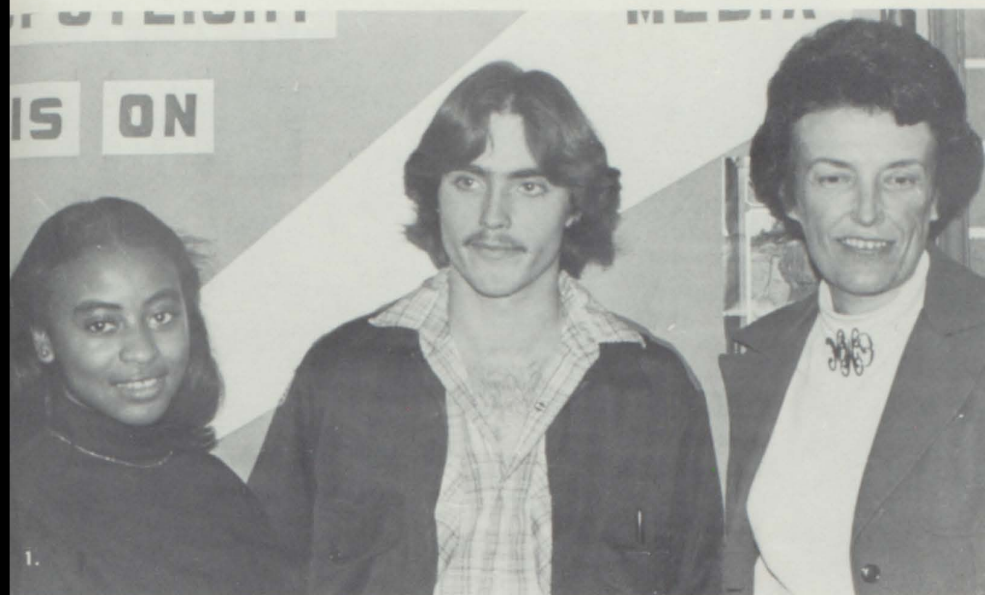

Sr. Fiction 4th place Bobby Clark

Accomplishments

Acknowledgments

1. The week of February 2 was National Media Week. The McEvoy B Library spotlighted the teacher and two students who had used the library most, yet kept their record clear of debt. Ms. Mary Weaver was recognized as Best Library Citizen among the faculty; Rene Willis and Charles Nation were selected from the student body. All three were awarded a five dollar check.

2. On May 25 Kim Crag, Stephanie Smith, Reggie Green, Chuck Lee, Ms. Weaver — teacher, Steve Carroll, and Kurt Mittman went to Georgia University and played the Stock Market Game sponsored by the Georgia Council of Economic Educators. Their combined efforts led them to place 1st in the Bibb County Region.

3. The Southwest Math Team under the direction of Margaret Faircloth of McEvoy A placed 1st in the Bibb County Math Meet. Southwest also participated in the Macon Junior College Math Olympics. Debra Puckett — captain, Jim Fullington, Robin Hutchingson, Keith Kendrick, Bobby Clark, Steve Sewell, Barry Marchman, and Paul Bond combined their mathematical knowledge to bring home one 1st place trophy for the team, one 2nd and another 3rd.

4. John Bond, the leader of the math team in 1980, led his team to win a district-wide math competition. Their prize — A Computer! John and his team helped show Macon what an "on the ball" school Southwest really is!

Eighteen seniors received scholarships from major colleges and associations at the Seniors' Honors Day held on May 29. Scholarships and grants ranged from \$50.00 to almost \$8000.00. Included among scholarship recipients were the following:

Patricia Barlow — Oxford College — \$1,000.00
Kevin Bass — Mercer University — \$3,000.00
Walter Bell — Delta Sigma Theta — \$1,000.00
Vicky Case — Bibl. Edu. Secretaries Association — \$200.00, Beta Club — \$75.00

Steve Sewell — Century III

Awards

1. and 2. Robin Hutchinson and Debbie Puckett received the Melvyn Williams Academic Excellence Award in English and Math respectively. To be eligible for the award, they must have maintained a 3.8 grade point average in that subject through their high school years and must be a graduating senior. Both Robin and Debbie received a plaque and a \$50.00 U.S. Savings Bond.

3. Three seniors were selected to receive the principal's awards this year on the basis of their service to Southwest High School. These students were voted on by the Willingham B and McEvoy B teachers. The winners this year were Robin Hutchinson, Charlotte McMullins, and Sherry Thompson. They received \$50.00 and will have their names inscribed on the Principal's Award plaque in the lobby of McEvoy B.

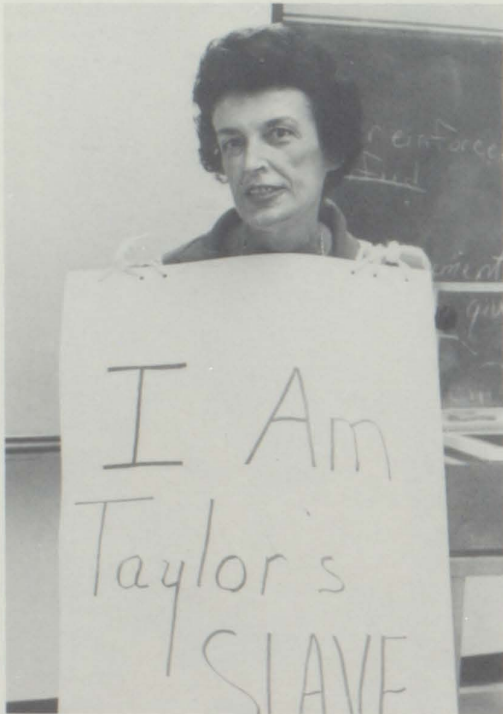

4. Horace Dennis has not been absent or tardy for seven years. That's an impressive record but . . .

5. Kwajelyn Washington took top honors in the perfect attendance category at the Junior Honors Day assembly. She has not been absent or tardy for eight consecutive years.

Slave Day

The first "Slave Day," sponsored by the annual staff, was held in Marsh for the seniors only. Thirteen teachers paraded around the gym in old, torn clothing as they were auctioned. After the auction, the teachers formed a group to sing "We shall overcome." Throughout the entire day on Friday, teachers did such things as wash cars, carry books, take tests made up by students, and wear leashes around their necks while students took them for a walk. Teachers sold for prices ranging from \$4.00 to \$10.00. Cheryl "Mary Weaver" Ladd sold for the highest bid of \$10.00. Anyone could see why. Somehow, even though they were slaves, the teachers did seem "to overcome."

Junior Senior

The evening of May 8 will long be a remembrance of "the good ole days" for many juniors and seniors at Southwest High School. The dance floor of the Macon City Auditorium was spotted with beautiful girls in long pastel gowns and guys in tuxedos as the band opened the evening; but as the band changed the tone from rock and disco to a slow and more mellow sound, the floor gradually filled to overflowing with couples swaying to the music. Chaperones were seen holding nosegay upon nosegay as girls in hoop skirts carefully wove through the tables and chairs on their way to the dance floor. As the dance came to a close, couple after smiling couple cleared the building, but for those juniors who had a part in preparing for the dance, the time was a sad one because it was then they realized that the evening of the Jr.-Sr. was truly "Something in the Past."

Something in the Past . . .

Honors Day

Senior

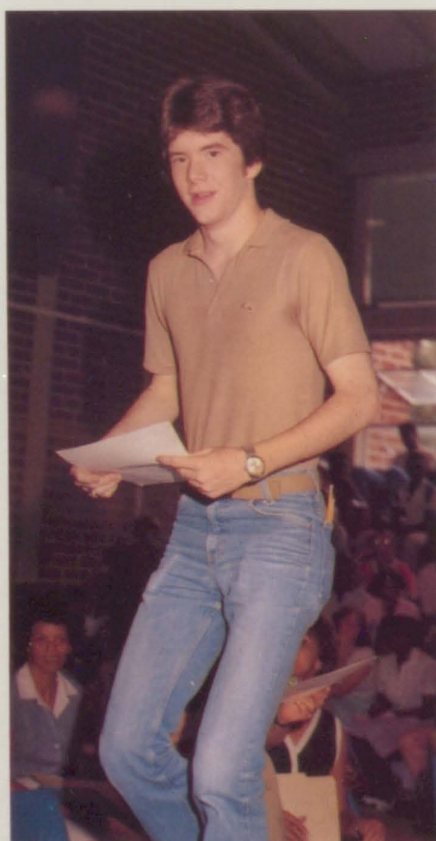

On May 29, the McEvoy B gym filled with blue caps and gowns as the Class of '81 filed in for the annual Senior Honors Day. The occasion was a serious one, and dignity prevailed from the moment the seniors marched in to organ music and the crowd stood to the moment the last senior exited and the standing crowd began to disperse. The highlight of the program was the Macon Exchange Club's presentation to Southwest High School of the rotating Sportsmanship Trophy. This trophy will be rotated among the public schools, each year being presented to the school whose participation through "the action and attitude of their players, students, faculty, and fans most exemplifies the ideals of good sportsmanship." The many honors and scholarships that were awarded at the ceremony proved that the senior class of Southwest High School really is number one in '81! (For more information on Scholarships, see page 286.)

Junior

A number of juniors received a certificate for one or two years of perfect attendance at the juniors' Honors Day, but the most outstanding of the 'perfect attendance awards went to Kwajelyn Washington. She has not missed a day of school in eight years. Other awards at the junior Honors Day assembly included: Honor roll 4.0 average or better, recognition of club presidents and announcements of new officers.

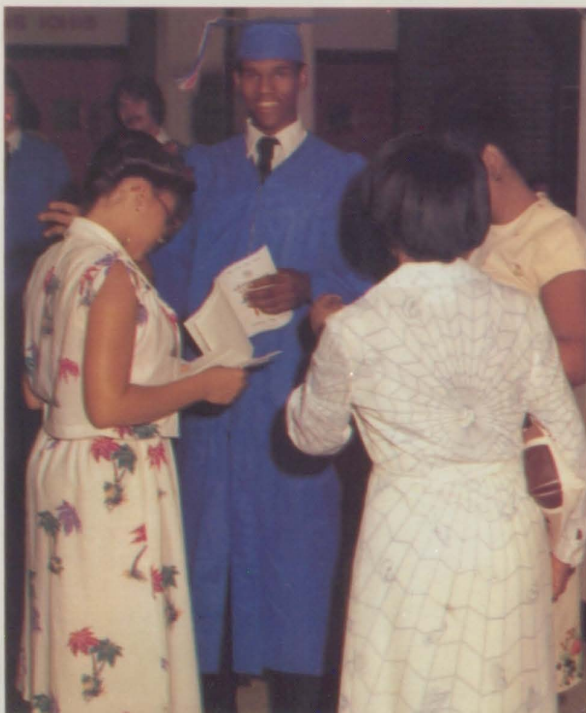

Sophomores

Sophomore Honors day took place in the WA gym on Monday, June 1. Certificates and trophies were presented to students for perfect attendance, 4.0 averages and various club achievements. Especially noteworthy was the announcement that two of the four major yearbook positions for next year will be filled by sophomores.

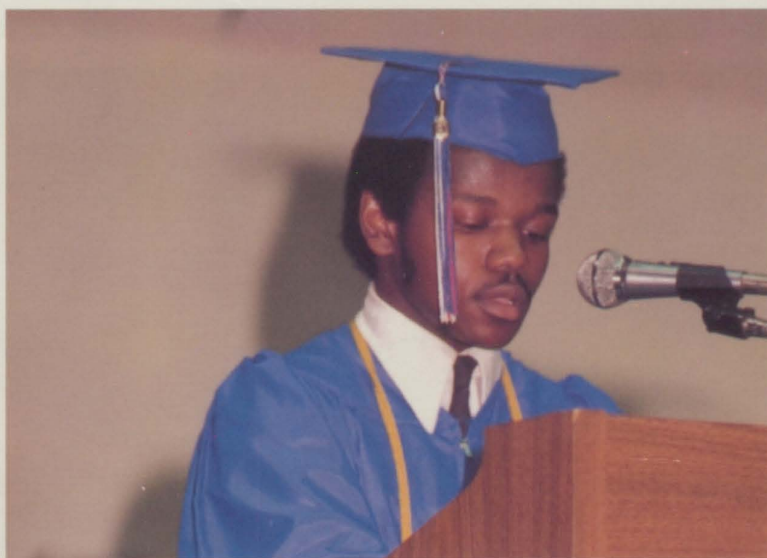

Graduation

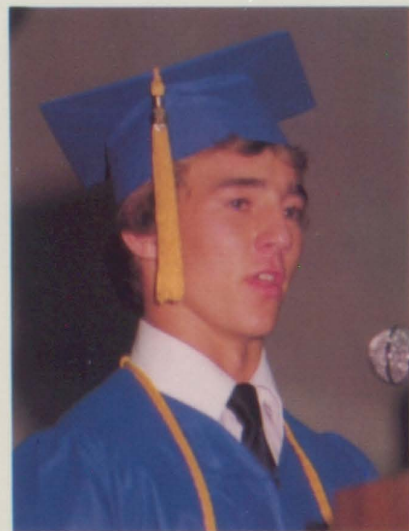

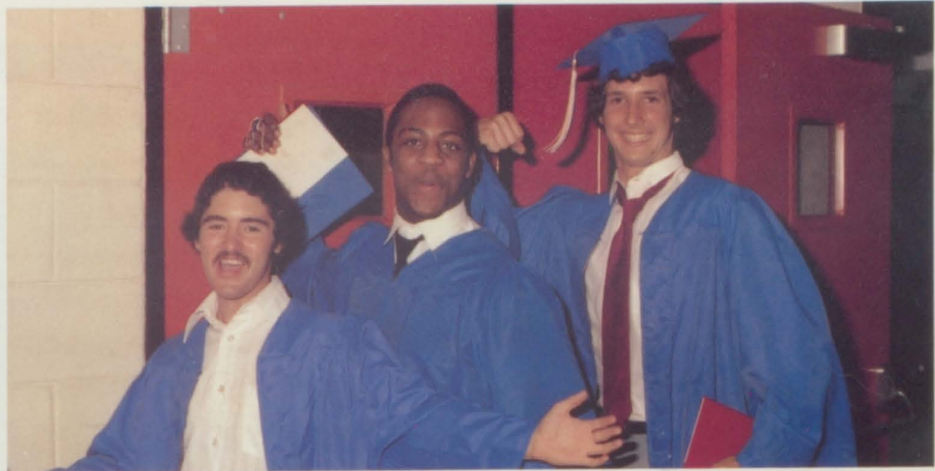

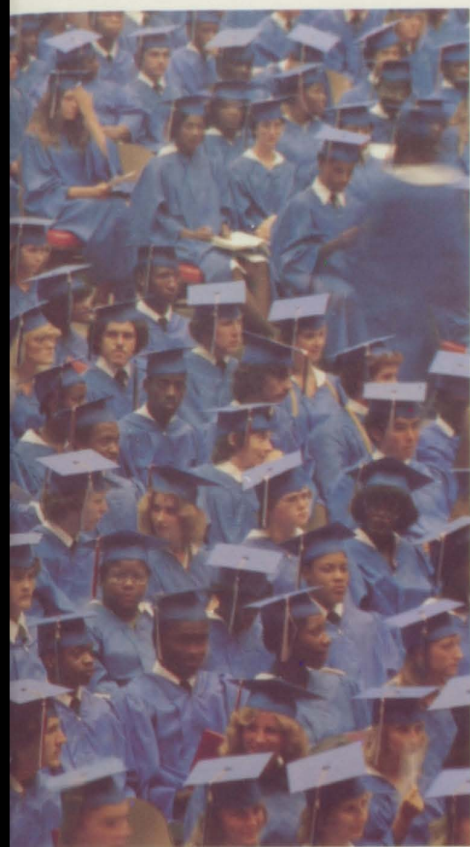

Graduation exercises were held June 11 in the Macon Coliseum. Seniors began gathering in the bottom of the coliseum at 7:00, saying goodbye to friends they've enjoyed for twelve years, finding their places in the line of 749 classmates together as a class for the last time, and discovering that graduation robes are hot even in an air-conditioned building. Finally, the long march began and went on and on and on; Andrea Parker gave the invocation and the ceremony began.

Mrs. Terry's choir performed the Hallelujah Chorus after which the seniors who had attained the highest grade point average, the first speakers (and this year there were three with a 4.0), spoke. Patricia Barlow expressed the importance of dreams and the influence they have on our lives. Jim Fullington told how he felt happiness was linked with personal success. Maresha Staples encouraged the seniors to evaluate themselves often and, thereby, make a good name for themselves and the Creator. The second speaker, Cynthia Smith, was unable to speak. The third speaker was voted by the class of '81 to be the senior

speaker. Taylor Kitchens won the nomination and used the senior song as a basis for his speech. He ended the speeches with a congratulatory remark to himself and other seniors saying, "There is nothing we cannot do! so ... hail to the seniors 'cause we are number one, hail to the class of '81." Following the speeches, the diplomas were issued and Greg Cubit closed the ceremonies with a prayer. Afterwards, emotions ranged from joy, pride, disbelief to sadness — and the curtain closed on another impressive Southwest High School graduation.

Quad paks, grease pencils, croppers, pictures, and copy are perhaps the five most important words in any annual staff member's vocabulary. But why not? They, along with a keen creative mind, represent the tools necessary to produce an annual for a student body of over 2,500. Production begins before school's even in session, with a week long seminar at Georgia Tech that teaches the basic mechanics of putting together a yearbook. Once school starts, the annual itself begins to take shape. Deadlines must be met so that the book returns to the students on time. Every event from day one to graduation night is part of the year's history, and the staff's responsibility is to present a complete record of it. Their dream was to make 1981 as clear ten or twenty years from now as possible by making this volume a perfect record. *The Spirit of '81* was for them — the shape of a dream.

JEANES

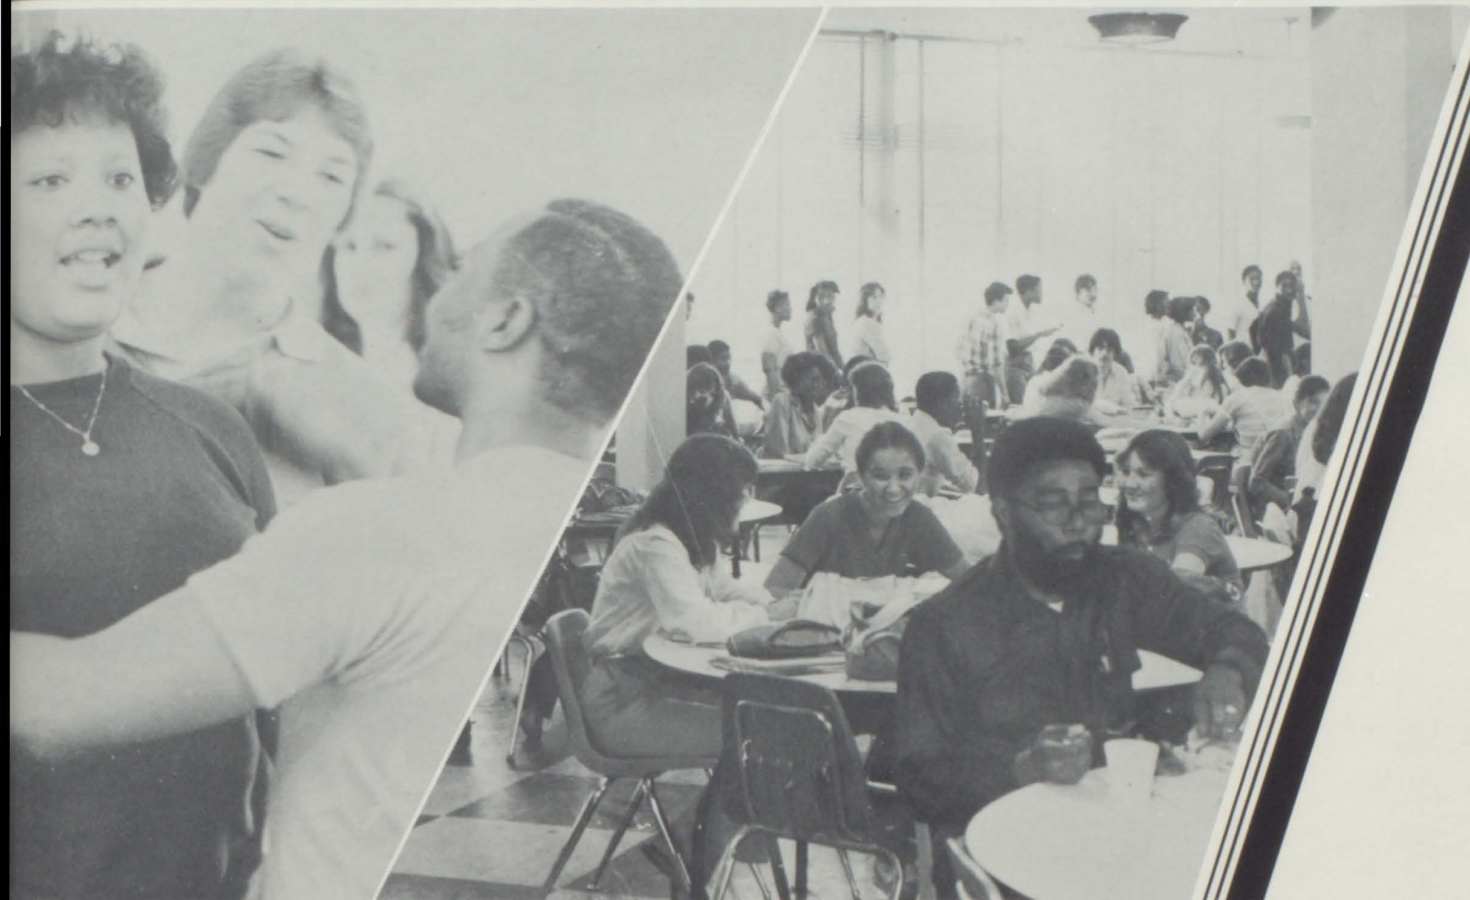

Yet another year has passed at Southwest, a year of excitement and boredom, joy and depression — memories for a lifetime full of dreams on which to build a future. Some dreams may have been common to only one; others, shared by many. Every dream may not have been fulfilled, but some dreams took shape to inspire an individual in its own special way. And if the dreams changed, there was always another and will be forever because the loss of one dream can only lead to another . . .

... The Shape of a Dream

The *Spirit of '81* is forever grateful for the continuous support and aid of these people. Without them we couldn't have had the shape of a dream.

In the *Spirit of '81* we have sought, with the aid of pictures and copy, to capture a few of your dreams in one volume. Although we tried to be correct and precise in every phase of the book, we realize that errors still exist. We hope that any mistakes of ours will in no way distort your aspiration. The dreams we all cherished this year will no doubt change with time, but those dreams aren't lost; they only evolve into newer and brighter shapes. The dreams of the past lead to those of the future. As we all go on to dreams of the future, we sincerely hope that each of you finds that shape for which you search. The contentment and self-satisfaction we received from producing this yearbook is almost impossible to express because for us it was . . . The Shape of a Dream.
